Solicitation 00000001725 -Rebid: Field Marking Paint – Term Contract

Addendum 01

Supplier Inquiry and Response

Q) Looking at the new bid, does this mean you are requesting 1,625 5 - gal pails of white which is the equivalent of 8,125 gallons of white paint? Or is it 1,625 gallons in 5 gallon pails which is the equivalent of 325 - 5 - gallon pails of white paint? Same question with the colors as well.

A) We are requesting pricing on 325 5-gallon pails of white paint concentrate, 140 5-gallon pails of purple paint concentrate, and 140 5-gallon pails of yellow/gold paint concentrate. See attached for revised price sheet which lists the corrected quantities of each paint concentrate color.

Specification Clarification

The University reserves the right to require other information needed for product evaluation and verification, including but not limited to, the right to request samples for field-testing based on evaluation against bid specifications. If samples are requested, supplier shall provide samples within 10 business days of request. Failure to provide samples shall cause rejection of your bid. If samples are requested, supplier shall provide a minimum of 5 gallons of paint concentrate per color.
