Submitted Questions and Answers

- Q1.** How would the City-Parish proceed under a scenario where proposals are not submitted for all of the Service Zones?

A1. The intent of this RFP is to provide services to the entire Parish excluding Baker and Zachary. The City-Parish would plan to enter into contract negotiations with the preferred Contractor(s) to determine whether the Contractor(s) would be willing to service any Service Zone where a proposal was not submitted. The City-Parish reserves the right to accept or reject all proposals.

- Q2.** Would the Contractor be responsible for servicing all areas of the Parish?

A2. The area to be serviced by a successful Proposer would depend on the proposals received and would be negotiated between the successful Proposer and City-Parish. Refer also to the above question 1 and answer 1.

- Q3.** How long will the Contractor have to collect Extra Out-of-Cart Waste under Service Request B?

A3. Proposers should refer to Section 6.5.7.4 of the RFP. Vendors are shall include information in their proposal regarding the preferred timeframe to provide these collection services, and describe their approach to developing schedules and routes to provide Service Request B. The City-Parish and selected Contactor(s) shall negotiate a mutually agreeable timeframe to provide these services.

- Q4.** Will the Contractor be required to collect waste from evictions?

A4. No, Eviction Waste will be considered an Excluded Waste. Please refer to the definitions section of the contract (Section 2) for further details. However, the landlords may elect to hire the contractor under Service Request B.

Questions and Responses

Addendum No. 1

Q5. Will any geographic areas (e.g. certain roads such as state roads) be excluded from Dead Animal Collection?

A5. All collection services under this contract is for residential service units only. Any Dead Animal collection service outside of the residential routes would be considered an additional service with unit rates to be negotiated with the successful proposer(s).

Q6. Will a certified DBE be required to retain a DBE as a subcontractor? If the Proposer is a DBE, will the proposal receive all of the possible points for DBE in the Technical Evaluation?

A6. The intent of the City/Parish DBE program is to encourage and increase participation by historically disadvantage business enterprises. The City/Parish encourages utilizing as much DBE businesses as possible. The Proposer will be considered meeting the objectives of this program If the Proposer is a certified DBE.

Q7. How are we proposing collection days for this contract?

A7. Refer to Section 6.5.7.4 of the RFP for description of information required to be provided by the Proposer regarding collection days, schedules, and routing. Additionally, requirements for collection days and hours of operation are described in Section 4.9 of the RFP.
