TERMS AND CONDITIONS:

This solicitation contains all the terms and conditions with respect to the commodities herein. Any vendor contracts, forms, terms or other materials submitted with bid may cause bid to be rejected.

VENDOR'S FORMS:

The purchase order is the only binding document to be issued against this contract. Signing of vendor's forms is not allowed.

ACCEPTANCE:

Unless otherwise specified, bids on this contract will be assumed to be firm for acceptance for a minimum of sixty (60) days. If accepted, prices must be firm for the specified contract period.

INVOICES:

Invoice will be submitted by the contractor to the using agency, and the invoice shall refer to the delivery ticket number, delivery date, purchase order number, quantity, unit price, and delivery point. A separate invoice for each order delivered and accepted shall be submitted by the contractor in duplicate directly to the accounting department of the using agency. Invoices shall show the amount of any cash discount, and shall be submitted on the contractor's own invoice form.

PAYMENT:

Payment will be made on the basis of unit price as listed in this contract; such price and payment will constitute full compensation for furnishing and delivering the contract commodities. In no case will the state agency refuse to make partial payments to the contractor although all items have not been delivered. This payment in no way relieves the contractor of his responsibility to effect shipment of the balance of the order. Payment will be made to vendor and address as shown on order.

ELECTRONIC VENDOR PAYMENT SOLUTION:

In an effort to increase efficiencies and effectiveness as well as be strategic in utilizing technology and resources for the State and vendors, the State intends to make all payments to vendors electronically. The LaCarte procurement card will be used for purchases of \$5,000 and under, and where feasible, over \$5,000. Vendors will have a choice of receiving electronic payment for all other payments by selecting the Electronic Funds Transfer (EFT). If you receive an award and do not currently accept the LaCarte card or have not already enrolled in EFT, you will be asked to comply with this request by choosing one of the following two options. You may indicate your acceptance below.

The **LaCarte** Procurement Card uses a Visa card platform. Contractors receive payment from state agencies using the card in the same manner as other Visa card purchases. Contractors cannot process payment transactions through the credit card clearinghouse until the purchased products have been shipped or received or the services performed.

For all statewide and agency term contracts:

- Under the LaCarte program, purchase orders are not necessary. Orders must be placed against the net discounted products of the contract. All contract terms and conditions apply to purchases made with LaCarte.
- If a purchase order is not used, the Contractor must keep on file a record of all LaCarte purchases issued against this contract during the contract period. The file must contain the particular item number, quantity, line total and order total. Records of these purchases must be provided to the Office of State Procurement on request.

EFT payments are sent from the State’s bank directly to the payee’s bank each weekday. The only requirement is that you have an active checking or savings account at a financial institution that can accept Automated Clearing House (ACH) credit files and remittance information electronically. Additional information and an enrollment form is available by contacting the Office of Statewide Reporting & Accounting at DOA-OSRAP-EFT@la.gov.

To facilitate this payment process, you will need to complete and return the EFT enrollment form.

If an award is made to your company, please check which option you will accept or indicate if you are already enrolled.
