#### **Terms and Conditions:**

This solicitation contains all terms and conditions with respect to the commodities herein. Any vendor contracts, forms, terms, or other materials submitted with bid may cause bid to be rejected.

#### **Vendor's Forms:**

The purchase order is the only binding document to be issued against this contract. Signing of vendor's forms is not allowed.

#### **Vendor List:**

The bidder who signs the bid will be designated as prime contractor on any contract resulting from this solicitation. If additional distributor vendors are authorized to receive orders for items contained in said contract, the bidder should submit with the bid, a list of those additional authorized distributors including the complete business address. The prime contractor will be responsible for the actions of any distributor vendors listed.

#### **Acceptance:**

Unless otherwise specified, bids on this contract will be assumed to be firm for acceptance for a minimum of sixty (60) days. If accepted, prices must be firm for the specified contract period.

#### **Prices:**

Prices shall be complete, including transportation/freight charges prepaid by bidder to destination, inside delivery, unpacking, assembly of all components and removal of all associated debris from premises. Prices should be quoted in the unit (each, box, case, hour, flat, mile, etc.) as specified in the solicitation.

#### **Price Reductions:**

Whenever there is a reduction in price, which is lower than the contract price, offered to similarly situated customers contracting for the same period and under the same terms and conditions, said

Attachment A: Special Terms and Conditions

---

reduction must be presented directly to the Office of State Procurement. No price reduction on a statewide contract may be offered to an agency unless that reduction is offered to all agencies.

**Payment:**

Payment will be made on the basis of unit price as listed in this contract; such price and payment will constitute full compensation for furnishing and delivering the contract services. In no case will the state agency refuse to make partial payments to the Contractor although all services have not been provided. This payment in no way relieves the contractor of his responsibility to complete remaining the services. Payment will be to vendor and address as shown on order.

**Invoices:**

Invoices will be submitted by the contractor to the using agency and the invoice shall refer to the delivery ticket number, delivery date, purchase order number, quantity, unit price, and delivery point. A separate invoice for each order delivered and accepted shall be submitted by the Contractor in duplicate directly to the accounting department of the using agency. Invoices shall show the amount of any cash discount and shall be submitted on the contractor's own invoice form.

**Contract Revisions:**

Requests for revisions to this contract must be addressed to the Office of State Procurement and shall refer to the contract item number with justification of the request. Distributor vendor changes, price reductions and justifiable item deletions may be considered during the contract period. New item additions may be considered only when the Office of State Procurement has determined additions will be of substantial benefit to the State and will justify the time, effort and cost required to make such addition.

Contractor must immediately notify the Office of State Procurement when any dealer on this contract is terminated, relocated or added. All orders placed with dealers prior to receipt of such notification by the Office of State Procurement must be honored. Revisions will become effective only upon approval by the Office of State Procurement. Bidder should include with bid a list of all persons, in addition to the signer of the bid, who are authorized to request revisions to this contract.

**Contractual Period:**

The State of Louisiana intends to award all items for an initial period, not to exceed twelve (12) months. Delays in awarding, beyond the anticipated starting date, may result in a change in the contract period. If the situation occurs, an award may be made for less than twelve (12) months.

**Renewals:**

At the option of the State of Louisiana and acceptance by the Contractor, this contract may be extended for two (2) additional twelve (12) month periods at the same price, terms and conditions. Total contract time may not exceed thirty-six (36) months.

Attachment A: Special Terms and Conditions

**Quantities:**

This is an open-ended requirements contract. Quantities shown are based on the previous contract usage or estimates. Where usage is not available, a quantity of one (1) indicates a lack of history on this item. The successful bidder must supply at bid prices actual requirements as ordered whether the total of such requirements is more or less than the quantities shown.

**Termination for Non-Appropriation of Funds:**

The continuation of the contract is contingent upon the appropriation of funds to fulfill the requirements of the contract by the legislature. If the legislature fails to appropriate sufficient monies to provide for the continuation of a contract or if such appropriation is reduced by the veto of the Governor or by any means provided in the Appropriations Act or Title 39 of the Louisiana Revised Statutes of 1950 to prevent the total appropriations for the year from exceeding revenues for that year or for any other lawful purpose and the effect of such reduction is to provide insufficient monies for the continuation of the contract, the contract shall terminate on the date of the beginning of the first fiscal year for which funds are not appropriated.

**Increase/Decrease:**

The quantities listed herein are estimated to be the amount needed. In the event a greater or lesser quantity is needed, the right is reserved by the State of Louisiana to increase or decrease the amount, at the unit price stated in the bid.

**Orders:**

All State Agencies are to issue contract purchase orders for the services required, as and when needed. Political subdivisions of the State and Quasi Agencies who have been authorized to purchase from contracts made by the Office of State Procurement, are to issue their regular purchase orders directly to the supplier, making reference to the contract and item number.

**Cooperative Purchase:**

It is the intent of the Office of State Procurement (OSP) to accommodate cooperative purchasing in any contract awarded from this solicitation.

As described below, Political Subdivisions of the State, Quasi State Agencies, External Procurement Units, and Agencies of the United States Government are to be authorized (potential) users of the contract(s) resulting from this solicitation, subject to the pricing and terms set forth in the contract(s).

- Political Subdivisions of the State include, but are not limited to, parish governments, municipal governments, school districts, human service districts, local governments and public utilities.
- Quasi State Agencies include, but are not limited to, non-profit or for-profit organizations created by the State of Louisiana or any political subdivision or agency thereof, or any special district or authority, or unit of local government, to perform a public purpose.

Attachment A: Special Terms and Conditions

---

- External Procurement Units include, but are not limited to, buying organizations not located in the State of Louisiana, which, if located in the State, would qualify as a public procurement unit.

The current list of approved cooperating purchasing entities (including political subdivisions, quasi state agencies and external procurement units) is maintained and regularly updated on the OSP website at: <https://www.doa.la.gov/dao/osp/agency-resources/osp-purchasing/approved-quasi-units/> and may be used as a reference.

Bidders or contractors may prospectively choose to partially or entirely ‘opt-out’ of accommodating cooperative purchasing for such contract(s) by sending formal written notification of same to the Office of State Procurement. This notification should clearly specify which individual type(s) of cooperative purchasing entities the bidder/contractor is choosing to not allow to participate in contract cooperative purchasing. Any purchase orders received by the contract-holder from cooperative purchasing entities prior to the contract-holder’s opt-out notification to OSP must be honored in accordance with the contract.

The extent of participation (or non-participation) by any vendor in cooperative purchasing will not affect the award of any contract(s) resulting from this solicitation.

**Electronic Vendor Payment Solution:**

In an effort to increase efficiencies and effectiveness as well as be strategic in utilizing technology and resources for the State and Contractor, the State intends to make all payments to Contractors electronically. The LaCarte Procurement Card will be used for purchases of \$5,000 and under, and where feasible, over \$5,000. Contractors will have a choice of receiving electronic payment for all other payments by selecting the Electronic Funds Transfer (EFT). If you receive an award and do not currently accept the LaCarte card or have not already enrolled in EFT, you will be asked to comply with this request by choosing either the LaCarte Procurement Card and/or EFT. You may indicate your acceptance below.

The **LaCarte** Procurement Card uses a Visa card platform. Contractors receive payment from state agencies using the card in the same manner as other Visa card purchases. Contractors cannot process payment transactions through the credit card clearinghouse until the purchased products have been shipped or received or the services performed.

For all statewide and agency term contracts:

- Under the LaCarte program, purchase orders are not necessary. Orders must be placed against the net discounted products of the contract. All contract terms and conditions apply to purchases made with LaCarte.
- If a purchase order is not used, the Contractor must keep on file a record of all LaCarte purchases issued against this contract during the contract period. The file must contain the particular item number, quantity, line total and order total. Records of these purchases must be provided to the Office of State Procurement on request.

Attachment A: Special Terms and Conditions

EFT payments are sent from the State’s bank directly to the payee’s bank each weekday. The only requirement is that you have an active checking or savings account at a financial institution that can accept Automated Clearing House (ACH) credit files and remittance information electronically. Additional information and an enrollment form is available by contacting the Office of Statewide Reporting & Accounting Policy at [DOA-OSRAP-EFT@la.gov](mailto:DOA-OSRAP-EFT@la.gov) .

To facilitate this payment process, you will need to complete and return the EFT enrollment form.

If an award is made to your company, please check which option you will accept or indicate if you are already enrolled.
