

## ST. TAMMANY PARISH

MICHAEL B. COOPER  
PARISH PRESIDENT

**January 6, 2022**

Please find the following addendum to the below mentioned RFP.

**Addendum No.: 1**

**RFP#: 22-23-3**

**Project Name: Utility Meter Reading Services**

**RFP Due Date: January 12, 2023**

### **QUESTIONS AND ANSWERS:**

---

Question #1: I am requesting a copy of the routes/addresses for the customers in the water meter reading contract for Eastern incorporated edges of St Tammany Parish involved in the open RFP 22-22-3.

To clarify, I would prefer a digital copy for if this is available, but if not then we can work with the paper route books.

**Answer #1: Attached is a copy of the route book worksheet that shows all addresses by route. This is the information that would be given to the contractor monthly.**

Question #2: Is there a set schedule that your department would require for available customer service for this contract?

**Answer #2: Readings should be done between the 17<sup>th</sup> and 23<sup>rd</sup> of each month. All readings must be submitted to the Parish no later than the 23<sup>rd</sup> of each month.**

Question #3: What is the earliest and latest time that meters can be read? Also, are there any particular days of the week that meters cannot be read?

**Answer #3: Readings can be made any day of the week. Although the contract does not state a time to begin and end, it is recommended that readings should not begin before 7:00AM and should not continue after dusk.**

## ST. TAMMANY PARISH

MICHAEL B. COOPER  
PARISH PRESIDENT
