

ST. TAMMANY PARISH
MICHAEL B. COOPER
PARISH PRESIDENT

May 25, 2023

Please find the following addendum to the below-mentioned BID.

Addendum No.: 1

Bid#: 23-27-2

Project Name: STAC PHASE IV – BEAUTIFICATION LANDSCAPE WORK

Bid Due Date: Thursday, June 8, 2023 @ 2:00 p.m.

GENERAL INFORMATION:

- A.** Do not break these documents into parts or sub-parts. Each contracting entity shall be responsible for all the work related to their trades wherever it may be shown within the contract documents package.
- B.** The scope of the work for contractors, subcontractors, material suppliers, etc., cannot be determined by examining partial sets of documents. The entire set of drawings and specifications must be reviewed to ascertain the scope of work for each project element.
- C.** Mandatory Pre-Bid Sign-In-Sheet is attached.
- D.** Contractor will procure and pay for Testing Services. A testing laboratory shall be retained by the Contractor and approved by St. Tammany Parish Department of Engineering. Testing shall be performed in accordance with LADOTD Requirements and a sampling plan, to be submitted by the Contractor for approval, is required. A summary of all tests performed, similar to the DOTD 2059 report, is required at the end of the project.
- E.** All work shall reference Louisiana Standard Specifications for Roads and Bridges 2016 edition and latest revisions.

ST. TAMMANY PARISH

MICHAEL B. COOPER
PARISH PRESIDENT

- F.** Please remove Section 04- Louisiana Uniform Public Work Bid Form and Louisiana Uniform Public Work Bid Form - Unit Price Form and replace with Section 04-Louisiana Uniform Public Work Bid Form (Revised) and Louisiana Uniform Public Work Bid Form - Unit Price Form (Revised). The forms have been revised to provide description of Alternative No. 1. Responses must be submitted on Revised forms.
- G.** Contractor shall submit all questions concerning plans and specifications to procurement@stpgov.org . Questions shall be submitted in writing by 2:00 p.m. on May 30th, 2023.

QUESTIONS & ANSWERS:

Question 1: Given the Scope of Work and Title of the Bid Project, will a contractor with a Municipal and Public Works Construction and/or Landscape, Grading and Beautification license be allowed to submit as a Prime Bidder?

Answer 1: Contractors shall be licensed in Heavy Construction. STPG consultant specializing in federally funded projects designated this project as Heavy Construction Classification. Landscaping Contractors are allowed to perform work on this project as a subcontractor to the licensed Heavy Construction Contractor.

Question 2: Item #5 in the Instructions to Bidders states the Contract Time is “150”. Please clarify if this is intended to mean Calendar Days or Working Days.

Answer 2: The contract time is 150 Calendar Days. Please be aware of SP. 33 which explains how the contract time is handled when planting is prohibited due to being outside of the planting season. Also note SP. 38 which defines inclement weather days and how they are recorded within the contract.

Question 3: Please provide clarification on location(s) for the required Unit price item 203-10-00100 (Cleaning Existing Ditches). There are no callouts for this item on any of the plans.

ST. TAMMANY PARISH

MICHAEL B. COOPER
PARISH PRESIDENT

Answer 3: The Unit Price Item 203-10-00100 is a contingency item to be used at discretion of the Project Engineer as needed. Typical Ditch cleaning shall be based on 1.22 CY per LF of ditch assuming ditch dimensions are 2 ft bottom with 3 to 1 slope sides and maximum depths of 3 feet. In the event the ditch is deeper or wider than the assumed dimension, linear footage of ditch will be prorated to accommodate the increased excavation volume. This item will also be used for any new ditches if necessary.

Question 4: Please provide clarification for the Monument luminaire connection. Will there already be power ran onsite to the monument(s) location(s)? Are the “others” to provide electrical connection for the Luminaire lights since they are providing all other electrical work? Please clarify monument locations.

Answer 4: The Contractor will need to coordinate connecting to the WST electrical service that is currently powering the existing streetlights at this location. See sheets L7.00 and L2.03 for notes and details regarding the monuments.

Question 5: Please provide clarification for Unit Price Item S-004 (Environmental Protection). What should be included in this item as it would be repetitive according to items 204-02-00100 (Temp Hay/Straw Bales) and 204-06-00100 (Temp Silt Fencing)? Would it only include SWPPP Plan?

Answer 5: See Special Provisions Section 11 details on Item S-004. All cost associated with devising a SWPPP and obtaining and maintaining necessary permits; including design, labor and equipment or materials required.

Question 6: There seems to be no planting details within the plan set. Will these be given?

Answer 6: See sheet L7.00 which indicates State Detail LD-01 is to be used. LD-01 is attached for reference.

Question 7: Will St. Tammany Parish allow Item Catch Basin (CB-01) to be installed as brick catch basins.

Answer 7: The Parish will allow the Contractor to install catch basins as brick Catch basins. Brick Catch Basin Detail is attached.

ST. TAMMANY PARISH

MICHAEL B. COOPER
PARISH PRESIDENT

Question 8: This project calls for Thermoplastic striping, can TBL Durables be considered an acceptable substitution?

Answer 8: The product TBL Durables does not meet DOTD specifications and is not on the approved materials list. Therefore, it will not be considered for substitution.
