### ADDENDUM # 1

Bid Number: 50-00143567

Bid Opening Date: November 7, 2023 at 2:00 pm cst

Description of Bid: Labor, Material and Equipment as Needed to Provide and Install a Play Structure at Little Jefferson Park for the Department of Parks and Recreation

---

### CLARIFICATION

1. Question: In the scope it says owner will provide 32' x 47' slab but there is a contradiction in the specifications that says awarded vendor to supply additional concrete to include 12" mow strip for proposed tot lot equipment. Please clarify if the owner will provide additions to the existing slab for a finished measurement of 32' x 47'.

#### Answer:

Owner will not add concrete to this project. The awarded vendor is to pour any additional concrete needed to the existing 32'x47' slab on site. Awarded vendor will need to calculate the amount of concrete needed for the additional footage of the slab to install the awarded Tot Lot dimensions to include a 12" concrete mow strip around the perimeter of the safety surface.

Sincerely,
