ADDENDUM # 1

Bid Number: 50-00143746

Bid Opening Date: October 26, 2023

Two (2) Year Contract for Veterinary Pharmaceuticals and Supplies for the Jefferson Protection and Animal Welfare Services (JPAWS) Department

Addition:

Question: When it asks for the unit price is it asking for a per dose/pill price or a price per carton/bottle/tray (the unit it is sold as)?

Answer: All items listed in bid are requesting discount percentage off for units as they are sold.

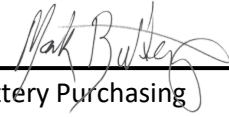

Question: When there is an item requested like Bravecto, Advantage Multi, and Nobivac; are you only wanting that one item that is specified or would you be wanting other sizes or types? If other sizes or types are needed can there please be a space to provide those options as well, since prices would vary for different sizes and vaccines.

Answer: Yes, discount is to include all items, this goes for all items listed in the bid.

Question: When we quote a unit price and totals is it supposed to be quoted as the list price or the price after the discount % has been applied?

Answer: Bid is for discount percent on each category. Submittals would be just be listing the discount given for that group/line item.

Sincerely,

Mark Buttery Purchasing
Specialist II
