Please find the following addendum to the below-mentioned BID.

Addendum No.: 1

Bid#: 23-54-1

Project Name: Fish Hatchery Road Drainage Repair

Bid Due Date: November 16, 2023

QUESTIONS & ANSWERS:

Question 1. In regards to the Fish Hatchery Rd Drainage Repair project, please specify location of work. Is full road closure allowed for any length of time while performing the drainage crossing?

Answer 1. There will need to be alternating road closures when the existing pipe is removed and the new pipe is installed. The road closures need to be as short and as quick as possible due to the long detour around. There will need to be adequate notice as to when the closures will be done. Adequate signs will be a requirement.
