ADDENDUM NO. 2 ISSUED FEBRUARY 8, 2024

RFP 2023-33-7710

Analytical Laboratory Services for Regulatory Compliance Sampling

Your reference is directed to RFP 2023-33-7710 – Analytical Laboratory Services for Regulatory Compliance Sampling for the City of Baton Rouge/Parish of East Baton Rouge which is scheduled to open on February 15, 2024 at 11:00 AM.

The following questions were received during the Inquiry Period and the responses to each question is reflected below:

- Q1: Can we notate and group compounds together by method on the pricing sheet?
- R1: Proposers can opt to notate and group compounds together and the price of their analysis for that group compound; then divide it by how many we have in the recommended list of analytes on that group to get the individual price per analyte.
- Q2: What tests are needed on holiday and weekends?
- R2: Please review Attachment F in regards to samples that indicate a frequency as "Daily." City-Parish will typically opt to send samples on week days that are not noted as "Daily" unless they are sporadic events such as overflows, illegal dumping, etc.
- Q3: Historically, does the City of Baton Rouge receive pickups every Sat, Sun, and holidays? What samples are required to be run on weekends and holidays?
- R3: Yes, please refer to the answer on R2 above.
- Q4: Are micro-samples required on the weekends?
- R4: Yes, please refer to the answer on R2 above.
- Q5: Can we have an agreed upon time for samples – especially short holds to be pulled?
- R5: It is feasible to have agreed on times for daily Wastewater Treatment Plant samples and package plant samples. Stormwater samples are dependent on the weather and will not be able to be scheduled.

ADDENDUM NO. 2
RFP 2023-33-7710
PAGE 2
ISSUED FEBRUARY 8, 2024

- Q6: Can we get a copy of the current contract with the current provider?
- R6: Yes. The agreement between the City-Parish and Element Materials Technology as entered March 7, 2022, is attached.
- Q7: Can Pace use its own existing, notarized corporate resolution statement, or our we required to complete the Corporate Resolution form provided within the bid package?
- R7: Yes.
- Q8: Can method 8321 be used for 2,4-dichlorophenoxyacetic acid (2,4-D)?
- R8: This depends on the samples to be analyzed:
2, 4-D on MS4 and LPDES permits should follow methods under CWA Methods on Attachment I (EPA 1658/515.1/615/515.2/555).
2, 4-D on Sewage Sludge permit (TCLP) should follow methods under EPA SW 846 Methods on Attachment I (SW 8151A, SW 8321B).
- Q9: Can method 8321 be used for 2-(2,4,5-trichlorophenoxy) propionic acid (2,4,5-TP Silvex)?
- R9: This depends on the samples to be analyzed:
2, 4, 5-TP Silvex on MS4 and LPDES permits should follow methods under CWA Methods on Attachment I (EPA 615, SM 6640 B-2006).
2, 4, 5-TP Silvex on Sewage Sludge permit (TCLP) should follow methods under EPA SW 846 Methods on Attachment I (SW 8085, SW 8151A, SW 8321B)
- Q10: If we partner with a SEDBE, do we need to provide a monthly report?
- R10: Yes. See "Disadvantaged Business Enterprise Inclusion" document, Part I – C "subcontracts;" that follows "Attachment D – Sample Contract."
- Q11: Is it possible to extend the deadline for this RFP?
- R11: No, we are on a tight schedule since the current provider contract expires March 31, 2024.

ADDENDUM NO. 2

RFP 2023-33-7710

PAGE 3

ISSUED FEBRUARY 8, 2024

Q12: Table 1. Analytical Testing and Other Services – this table lists many compounds that are run by the same test method, e.g., 1,1,1,2-Tetrachloroethane (a Volatile Organic Compound or "VOC"), and with different required turnaround times, e.g., 14 and 5 days. Every other VOC in Table 1 is included in the cost of these line items, and therefore pricing for each VOC individually is not required. We suggest that Table 1 be revised thusly, using this example, for each of the required VOCs, Semi-VOCs, and Pesticides/PCBs:

Column A Test: VOCs Column B Required Turnaround Time: 14 days Column C Total Samples Annually: 74 (33 + **41** as this requirement is listed twice for 1,1,1,2-Tetrachloroethane). **The 41 is for 1,1,2,2-Tetrachloroethane.**

Column A Test: VOCs Column B Required Turnaround Time: 5 days Column C Total Samples Annually: 12

R12: No, difference on turn around times are based on our specific permit requirements. Table stays as it is. The recommendation on R1 will give the Proposer the price per analytes on the group compounds.

This addendum is hereby officially made a part of the referenced solicitation and should be attached to the bidder's proposal or otherwise acknowledged therein.

If you have already submitted your proposal and this addendum causes you to revise your original bid, please indicate changes herein and return to Purchasing prior to bid opening in an envelope marked with the file number, bid opening date, and time. If this addendum does not cause you to revise your bid, please acknowledge receipt of the addendum by signing your name and company below and returning it in accordance with the provisions above.

PROFESSIONAL SERVICES AGREEMENT

This Agreement entered into effective the 7th day of March, 2021 by and between the **City of Baton Rouge and Parish of East Baton Rouge**, hereinafter referred to as "City-Parish" on behalf of the Department of Environmental Services, and **Element Materials Technology Lafayette, LLC**, hereinafter referred to as "Service Provider".

Article I: Term

This contract shall commence upon the issuance of a Notice to Proceed by the Department and shall continue through December 31, 2022. This contract will have the option of four annual renewals for calendar years 2023, 2024, 2025 and 2026. Extension of the contract into subsequent time periods shall be made by letter on or before the expiration of the contract and is only possible if all prices and conditions remain the same upon mutual agreement of both parties.

Article II: Scope of Services

The City-Parish hereby engages the services of Service Provider, with said services to be rendered to the Department of Environmental Services herein referred to as the "DES" as defined per Attachment "A", attached and made a part of this agreement as authorized by Metropolitan Council resolution 56069 dated December 8, 2021.

Article III: Status of Service Provider

Service Provider is serving as an independent contractor in providing the necessary services and neither the City-Parish nor any of its agents nor assigns shall have responsibility for any acts or omissions of Service Provider, its employees, agents or subcontractors. The Agreement shall not be construed as an employment contract and neither Service Provider nor any employees, agents or subcontractors of Service Provider shall receive benefits afforded by provisions or regulations governing classified or unclassified personnel for the City-Parish and the Service Provider's representative by signature hereto expressly waives and relinquishes any such rights.

Article IV: Conflict of Interest and Louisiana Code of Ethics

In accordance with Louisiana law (La. Rev. Stat. Title 42, Chapter 15), all vendors and service providers to the City-Parish are required to adhere to the ethics standards for public employees (public employee defined at <https://www.legis.la.gov/legis/Law.aspx?d=99214>). As such, third party vendors and service providers shall be responsible for determining and ensuring that there will be no conflict or violation of the Louisiana Ethics Code if their company is awarded a contract with the City-Parish. In addition, third party vendors and service providers are responsible for adhering to the Louisiana Code of Governmental Ethics throughout the duration of this contract, to include any additional amendments and/or extensions or renewals. Care must be exercised to avoid impropriety.

The Louisiana Board of Ethics is the *only* entity which can officially rule on ethics issues. A link to the Guide for Governmental Ethics can be found at: <http://ethics.la.gov/Pub/Laws/ethsum.pdf>. The Louisiana Board of Ethics website is <http://ethics.la.gov/>.

Article V: Insurance

Service Provider shall carry and maintain at all times during the performance of this contract, insurance coverage with limits of not less than \$1,000,000. A certificate of insurance evidencing the required coverage as noted in Attachment "D" shall be provided prior to final execution of the contract and commencement of work.

Article VI: Indemnification

Service Provider shall indemnify, defend, and hold harmless the City-Parish from any and all losses, damages, expenses or other liabilities, including but not limited to punitive and/or exemplary damages connected with any claim for personal injury, death, property damage or other liability that may be asserted against the City-Parish, its officials, employees or agents, by any party which arises from or allegedly arises from the performing its obligations under this agreement.

Service Provider, its agents, employees and insurer(s) hereby release the City-Parish its agents and assigns from any and all liability or responsibility including anyone claiming through or under them by way or subrogation or otherwise for any loss or damage which Service Provider, its agents or insurers may sustain incidental to or in any way related to Service Provider's operation under this Agreement.

Article VII: Cybersecurity Prerequisites

Service Provider, including all principals and employees who require access to City-Parish information technology assets, shall complete the cybersecurity training required by La. R.S. 42:1267 and furnish the City-Parish proof of said completion prior to being granted access to said assets.

Article VIII: Compensation

The City-Parish shall pay and Service Provider agrees to accept the unit prices in Attachment B as full compensation for the professional services to be performed under this contract. The contract amount shall not exceed \$300,000.00 annually.

This compensation shall be payable within thirty (30) days after submission and approval of monthly invoices in the DES invoice portal with appropriate documentation.

Article IX: Inspection of Books and Records

The Service Provider shall permit the authorized representative of the City-Parish to periodically inspect and audit all data and records of the Service Provider relating to performance under this Agreement for the purpose of audit, examination, excerpts, and transcriptions.

Article X: Record Retention

The Service Provider must retain all financial records, supporting documents, statistical records, and all other records pertinent to the grant award for at least 3 years.

Article XI: Complete Agreement

This is the complete agreement between the parties and supersedes all prior discussions and negotiations. Neither party shall rely on any statement or representations made by the other party not embodied in this agreement. This agreement shall become effective upon final signature by all parties.

Article XII: Contract Modifications

No amendment or change to the terms of this agreement shall be valid unless made in writing, signed by the parties and approved as required by law. In the event of an inconsistency between this Professional Service Agreement and any Attachments or Exhibits, unless otherwise provided herein, the inconsistency shall be resolved by giving precedence first to this Professional Service Agreement.

Article XIII: Termination for Convenience

The City-Parish may terminate this agreement at any time by giving thirty (30) days written notice to consultant of such termination or negotiating with the contractor an effective date. In the event of early termination of this Agreement, City-Parish shall pay all costs accrued by Service Provider as of the date of termination, including all non-cancelable obligations and all non-cancelable contracts. Service Provider shall deliver all completed deliverables to the City-Parish granting party at the time of termination.

Article XIV: Termination for Cause

The City-Parish may terminate this agreement for cause based upon the failure of the Service Provider to comply with the terms and/or conditions of the agreement provided that written notice specifying the failure shall be given. Service Provider shall have thirty (30) days to correct such failure or, begin a good faith effort to correct the failure and thereafter proceed diligently to complete such correction. If such efforts are not made as defined herein, the City-Parish, may at its option, place the Service Provider in default and the agreement shall terminate on the date specified in such notice.

The Service Provider may exercise any rights available to it under Louisiana law to terminate for cause upon the failure of the City-Parish to comply with the terms and conditions of the agreement, provided that the Service Provider shall give the City-Parish written notice specifying the City-Parish's failure and a reasonable opportunity for the City-Parish to correct the failure. Should the Service Provider be determined to be in "default" under the terms, conditions and deliverables outlined in this contract, then all costs occurred will be subject to adjustment based on the remaining scope of services. In the event of contract termination, all relevant documents and work product shall be considered the property of the City-Parish and returned to the City-Parish.

Article XV: Assignment and Subcontracting

This agreement is not assignable by the Service Provider without the City-Parish's written

consent, which it may withhold at its sole discretion, and any unapproved assignment will be invalid and ineffective. The Service Provider may not subcontract any of its responsibilities under this Agreement to another person without the City-Parish's prior approval.

Article XVI: Governing Law and Venue

This agreement shall be governed by and interpreted in accordance with the laws of the State of Louisiana. Venue of any action brought with regard to this Agreement shall be in the Nineteenth Judicial District court, parish of East Baton Rouge, State of Louisiana.

Article XVII: Federal Clauses

Attachment "H" contains federal clauses that were included in the RFP for this contract. These federal clauses are mandatory if Federal Funds are utilized. On this particular contract, the most common instance where federal funding would be used is in response to a declared disaster where FEMA reimbursement is requested for damages to City-Parish equipment. By signing this contract, the Service Provider acknowledges the use of and agrees to comply with these federal clauses if this contract is used in response to a declared disaster.

In witness whereof, the parties hereto have executed this Agreement effective as of the date first written above.

ATTACHMENT A
SCOPE OF SERVICES

A.1 Scope of Services

All analytical tests must be performed in accordance with the techniques described in 40 CFR part 136 (see LAC 33:IX.4901) and SW-846 (solid waste methods) and the amendments thereto following the schedule in Attachment D. Where 40 CFR part 136 does not contain sampling or analytical techniques for the pollutant in question, or where the EPA determines that the part 136 sampling and analytical techniques are inappropriate for the pollutant in question, sampling and analysis shall be performed by using validated analytical methods or other applicable sampling and analytical procedures approved by the Environmental Division and the Louisiana Department of Environmental Quality. All reports, shall satisfy the minimum recommended conditions set forth in 40 CFR part 136. For reference, please refer to Attachment G for the list of required methods.

Furthermore, to the analytical testing services, the contract laboratory will also be responsible for providing services to the City-Parish on the following:

1. The required sample bottles, sample kits vials, labels, and coolers, incidentals, etc. (including the preservative needed for the specific analysis), in containers appropriate for shipment back to the contract laboratory (refer to 40 CFR part 136 Sec 136.3 (e) or SW-846 for required containers, preservation techniques, and holding times). All cost associated with the shipment/delivery of sampling kits will be the responsibility of the contracted laboratory.
 - a. For the treatment plants sampling kits should be delivered to EITHER North Wastewater Treatment Plant (NWWTP), located at 50 Woodpecker Street, Baton Rouge, LA 70807, OR South Wastewater Treatment Plant(SWWTP), located at 2850 Gardere Lane, Baton Rouge, LA 70820 at the direction of the City-Parish.
 - b. For the Industrial Pretreatment Program (IPP), the North Landfill and the Municipal Separate Storm Sewer System (MS4) Program, the sampling kits should be delivered to the Environmental Division at EITHER 345 Chippewa Street, Baton Rouge, LA 70805 (current location) or 12422 Florida Boulevard, Baton Rouge, LA 70815 (future location) or to the sampling contractor as directed by the City-Parish.

A.2 Reporting

The contract laboratory shall provide reports in electronic formats including .xlsx or .txt and .pdf made available on an ftp site. The .xlsx or .txt file is for a direct upload to the City-Parish's Operator10 process optimization software so it must be provided in the specified format. A priority pollutant list and total toxic organics list with the required MQLs for our permits are included in the attachments.

A.3 Safety Requirements

The importance of safety in the performance of this scope of work cannot be overemphasized. To that end, the Contractor shall conduct his operation in a manner such that the safety and convenience of both the public and workers is regarded as of prime importance. The City-Parish

reserves the right to stop the Contractor from working or to order any piece of equipment taken off the project, should it be determined that minimum safety standards are not being met.

A.4 Location

The physical addresses of the facilities are provided in Attachment C.

* Per-and Polyfluoroalkyl Substances (PFAS) are currently not required under the existing LPDES Permits. Sampling for PFAS will likely be required in future LPDES Permits that will be issued during the term of this contract and is therefore being included.

Other Services (Weekend and Holiday Pickup from Treatment Plants)			
Column A Description	Column B Quantity, Each*	Column C Unit Price	Unit Price Extension (Column B x Column C)
NWWTP Samples (50 Woodpecker St., Baton Rouge, LA 70807)	114	\$40.00	\$4,560.00
SWWTP Samples (2850 Gardere Ln., Baton Rouge, LA 70820)	114	\$40.00	\$4,560.00
<i>Other Services Weekends/Holiday Pickups Subtotal</i>			\$9,120.00

Other Services (Weekday Pickup from Treatment Plants)			
Column A Description	Column B Quantity, Each*	Column C Unit Price	Unit Price Extension (Column B x Column C)
NWWTP Samples (50 Woodpecker St., Baton Rouge, LA 70807)	251	N/C	\$0.00
SWWTP Samples (2850 Gardere Ln., Baton Rouge, LA 70820)	251	N/C	\$0.00
<i>Other Services (As Needed Weekday Pickup from Environmental Division)</i>			
Column A Description	Column B Quantity, Each*	Column C Unit Price	Unit Price Extension (Column B x Column C)
Environmental Division Samples (Either current location: 345 Chippewa St., Baton Rouge, LA 70805 or further location 12422 Florida Blvd., Baton Rouge, LA 70806 or to the sampling contractor as directed by City Parish)	65	N/C	\$0.00
<i>Other Services Weekday Pickups Subtotal</i>			\$0.00
Sum of Totals (Analytical Total + Other Services Subtotals)			\$278,263.00

*Number of pickups are estimated in Column B could vary depending on situations.

ANALYTICAL SCHEDULE
CITY OF BATON ROUGE
PARISH OF EAST BATON ROUGE

Test	Frequency	Total Per Event	Required Turnaround Time
Major Wastewater Treatment Plants (LPDES)			
<i>Water Samples</i>			
Biochemical Oxygen Demand	Daily	6	6 days
Total Suspended Solids	Daily	6	1 day
Fecal Coliform	Daily	2	1 day
Toxicity - Daphnia Pulex	Quarterly (4x/Year)	2	7 days
Toxicity - Pimephales promelas	Quarterly (4x/Year)	2	7 days
Total Phosphorus (As P)	Quarterly (4x/Year)	2	5 days
Total Nitrogen (As N)	Quarterly (4x/Year)	2	5 days
Biomonitoring, Coefficient of Variation, 48-Hour Acute, Daphnia pulex	Quarterly (4x/Year)	2	14 days
Biomonitoring, Coefficient of Variation, 48-Hour Acute, Pimephales promelas	Quarterly (4x/Year)	2	14 days
Biomonitoring, Low Flow Pass/Fail Static Renewal, 48-Hour Acute, Daphnia pulex	Quarterly (4x/Year)	2	14 days
Biomonitoring, Low Flow Pass/Fail Static Renewal, 48-Hour Acute, Pimephales promelas	Quarterly (4x/Year)	2	14 days
Biomonitoring, NOEC Lethality Static Renewal, 48-Hour Acute, Daphnia pulex	Quarterly (4x/Year)	2	14 days
Biomonitoring, NOEC Lethality Static Renewal, 48-Hour Acute, Pimephales promelas	Quarterly (4x/Year)	2	14 days
Total Cyanide	Biannually (2x/Year)	4	14 days
Fluoride	Biannually (2x/Year)	2	14 days
Nitrate-N	Biannually (2x/Year)	2	14 days
Antimony	Biannually (2x/Year)	4	14 days
Arsenic	Biannually (2x/Year)	4	14 days
Barium	Biannually (2x/Year)	2	14 days
Beryllium	Biannually (2x/Year)	4	14 days
Cadmium	Biannually (2x/Year)	4	14 days
Chromium	Biannually (2x/Year)	4	14 days
Chromium III	Biannually (2x/Year)	4	14 days
Copper	Biannually (2x/Year)	4	14 days
Lead	Biannually (2x/Year)	4	14 days
Mercury	Biannually (2x/Year)	4	14 days

Molybdenum	Biannually (2x/Year)	4	14 days
Nickel	Biannually (2x/Year)	4	14 days
Selenium	Biannually (2x/Year)	4	14 days
Silver	Biannually (2x/Year)	4	14 days
Thallium	Biannually (2x/Year)	4	14 days
Zinc	Biannually (2x/Year)	4	14 days
Chromium VI	Biannually (2x/Year)	4	14 days
Total Phenols	Biannually (2x/Year)	4	14 days
Volatile Organics (See Appendix I – CWA Methods for list)	Biannually (2x/Year)	4	14 days
Base/Neutrals and Acids (See Appendix I – CWA Methods for list)	Biannually (2x/Year)	4	14 days
Dioxins (2,3,7,8-TCDD)	Biannually (2x/Year)	4	14 days
Pesticides (See Appendix I – CWA Methods for list)	Biannually (2x/Year)	4	14 days
Polychlorinated Biphenyls	Biannually (2x/Year)	4	14 days

Sludge Samples All sludge samples should follow SW-846 Methods

Total Solids	Daily	6	1 day
Volatile Solids	Daily	6	1 day
TCLP			
2-Methylphenol	Annually (1x/Year)	2	7 days
3-Methylphenol	Annually (1x/Year)	2	7 days
4-Methylphenol	Annually (1x/Year)	2	7 days
Pentachlorophenol	Annually (1x/Year)	2	7 days
2,4,5-Trichlorophenol	Annually (1x/Year)	2	7 days
2,4,6-Trichlorophenol	Annually (1x/Year)	2	7 days
1,4-Dichlorobenzene	Annually (1x/Year)	2	7 days
2,4-Dinitrotoluene	Annually (1x/Year)	2	7 days
Hexachlorobenzene	Annually (1x/Year)	2	7 days
Hexachlorobutadiene	Annually (1x/Year)	2	7 days
Hexachloroethane	Annually (1x/Year)	2	7 days
Nitrobenzene	Annually (1x/Year)	2	7 days
Pyridine	Annually (1x/Year)	2	7 days
Benzene	Annually (1x/Year)	2	7 days
Carbon Tetrachloride	Annually (1x/Year)	2	7 days
Chlorobenzene	Annually (1x/Year)	2	7 days
Chloroform	Annually (1x/Year)	2	7 days
1,2-Dichloroethane	Annually (1x/Year)	2	7 days
1,1-Dichloroethylene	Annually (1x/Year)	2	7 days
Methyl Ethyl Ketone	Annually (1x/Year)	2	7 days
Tetrachloroethylene	Annually (1x/Year)	2	7 days
Trichloroethylene	Annually (1x/Year)	2	7 days
Vinyl Chloride	Annually (1x/Year)	2	7 days
Arsenic	Annually (1x/Year)	2	7 days

Barium	Annually (1x/Year)	2	7 days
Cadmium	Annually (1x/Year)	2	7 days
Chromium	Annually (1x/Year)	2	7 days
Lead	Annually (1x/Year)	2	7 days
Mercury	Annually (1x/Year)	2	7 days
Selenium	Annually (1x/Year)	2	7 days
Silver	Annually (1x/Year)	2	7 days
Aroclor 1016	Annually (1x/Year)	2	7 days
Aroclor 1221	Annually (1x/Year)	2	7 days
Aroclor 1232	Annually (1x/Year)	2	7 days
Aroclor 1242	Annually (1x/Year)	2	7 days
Aroclor 1248	Annually (1x/Year)	2	7 days
Aroclor 1254	Annually (1x/Year)	2	7 days
Aroclor 1260	Annually (1x/Year)	2	7 days
Aroclor 1016	Annually (1x/Year)	2	7 days
Chlordane	Annually (1x/Year)	2	7 days
Endrin	Annually (1x/Year)	2	7 days
Gamma-BHC	Annually (1x/Year)	2	7 days
Heptachlor	Annually (1x/Year)	2	7 days
Heptachlor epoxide	Annually (1x/Year)	2	7 days
Methoxychlor	Annually (1x/Year)	2	7 days
Toxaphene	Annually (1x/Year)	2	7 days
2,4-D	Annually (1x/Year)	2	7 days
2,4,5-TP (Silvex)	Annually (1x/Year)	2	7 days
Paint Filter Test	Annually (1x/Year)	2	7 days
Polychlorinated Biphenyls	Annually (1x/Year)	2	7 days
Total Metals			
Arsenic	Bi-monthly (6x/Year)	2	14 days
Cadmium	Bi-monthly (6x/Year)	2	14 days
Chromium	Bi-monthly (6x/Year)	2	14 days
Copper	Bi-monthly (6x/Year)	2	14 days
Lead	Bi-monthly (6x/Year)	2	14 days
Mercury	Bi-monthly (6x/Year)	2	14 days

N-Nitrosodi-n-propylamine
N-Nitrosodiphenylamine
n-Octadecane
Phenanthrene
Pyrene
1,2,4-Trichlorobenzene

ATTACHMENT G
REQUIRED & RECOMMENDED ANALYTICAL TEST METHODS
CITY OF BATON ROUGE
PARISH OF EAST BATON ROUGE

The City-Parish is required to use approved Clean Water Act (CWA) methods referenced to 40 CFR Part 136 for compliance purposes of wastewater measurements. The SW – 846 Methods (solid waste methods from EPA Office of Resource Conservation and Recovery) are not necessarily developed for the same monitoring purposes or matrices for which CWA methods are developed, thus it cannot be used interchangeably. However, our permitting authority, the Louisiana Department of Environmental Quality (LDEQ) allows the City-Parish, to use SW – 846 for analyzing sewage sludge (biosolids) and groundwater monitoring. Furthermore, the City-Parish is required to have these analytical test methods performed by any laboratory that is certified by the National Environmental Laboratory Accreditation Program (NELAP) or Louisiana Environmental Laboratory Accreditation Program (LELAP).

The following tables below are all excerpts from the **most recently updated** 40 CFR Part 136 and the SW – 846, please refer to these two references to check the entailed footnotes. Additionally, should a parameter does not have EPA recommended method, please refer to Louisiana Environmental Laboratory Accreditation Program (LELAP) column on the table. Lastly, please refer to these two references for the required containers, preservation techniques, sample preparation techniques, and holding times. No other methods should be utilized to substitute the methods on these tables.

ATTACHMENT H
FEDERAL CLAUSES

Remedies

As a breach of service would cause serious and substantial damages to the City-Parish and its occupants, and the nature of resulting contract would render it impractical or extremely difficult to fix the actual damage sustained by the City-Parish by such breach, it is agreed that in case of a breach of service, the City-Parish may elect to collect liquidated damages as specified in the resulting contract, not as a penalty, such sums being agreed as the amount which the City-Parish will be damaged by the breach of such service.

The decision to seek such remedies shall not be construed as a waiver of any legal remedies the City- Parish may have as to any subsequent breach of service.

If the Service Provider fails to perform, or to perform in a satisfactory manner, or to perform in strict compliance with the resulting Contract, the Service Provider will be considered to be in Breach of Contract, in addition to such remedies of a less formal but corrective nature as may be delineated between the City-Parish and the Service Provider elsewhere in the resulting Contract Documents, the City-Parish retains, solely to itself, all such remedies.

Equal Employment Opportunity

During the performance of this Agreement, the Service Provider agrees as follows:

1. The Service Provider will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Service Provider will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Service Provider agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2. The Service Provider will, in all solicitations or advertisements for employees placed by or on behalf of the Service Provider, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
3. The Service Provider will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other

employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Service Provider's legal duty to furnish information.

4. The Service Provider will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Service Provider's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
5. The Service Provider will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
6. The Service Provider will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
7. In the event of the Service Provider's noncompliance with the nondiscrimination clauses of this Agreement or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the Service Provider may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
8. The Service Provider will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each sub-contractor or vendor. The Service Provider will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance.

Provided, however, that in the event a Service Provider becomes involved in, or is threatened with, litigation with a sub-contractor or vendor as a result of such direction by the administering agency, the Service Provider may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the applicant so participating is a state or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of Service Provider and sub-contractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon Service Providers and sub-contractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

Davis-Bacon and Copeland Anti-Kickback Act

The Service Provider shall comply with the Davis-Bacon Act (40 U.S.C. 3141-3144 and 3146-3148) as supplemented by the Department of Labor regulations (29 CFR Part 5, "Labor Standard Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with this statute, the Service Provider is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, the Service Provider is required to pay wages not less than once a week.

The Service Provider shall comply with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by the Department of Labor regulations (29 CFR Part 3, "Contractors and Sub-contractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Service Provider is prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

Contract Work Hours and Safety Standards Act

Pursuant to 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5), the Service Provider is required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Rights to Interventions Made Under a Contract or Agreement

If the Federal award meets the definition of “funding agreement” under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

Clean Air Act and the Federal Water Pollution Control Act

The Service Provider is required to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

Byrd Anti-Lobbying Amendment

Service Providers that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier, up to the non-Federal award.

Procurement Recovered Materials

Service Provider shall comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act which pertains to procuring only items designated in the guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with

maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000.00 or the value of the quantity acquired during the preceding fiscal year exceed \$10,000.00; procuring solid waste management services in a manner that maximizes energy resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

Program Fraud and False or Fraudulent Statements or Related Acts

The Service Provider acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the Service Provider's actions pertaining to this contract.

Compliance with Federal Law, Regulations, and Executive Orders

The Service Provider will comply will all applicable federal law, regulations, executive orders, FEMA and/or HUD policies, procedures, and directives.

No Obligation by Federal Government

The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, Service Provider, or any other party pertaining to any matter resulting from the contract.

ATTACHMENT I

CONTRACTOR'S AND SUB CONTRACTOR'S INSURANCE

Service Provider and any subcontractor shall carry and maintain at least the minimum insurance as specified below until completion and acceptance of the work. Service Provider shall not commence work under this contract until certificates of insurance have been approved by the City-Parish Purchasing Division. Insurance companies listed on certificates must have industry rating of A-, Class VI or higher, according to Best's Key Rating Guide. Service Provider is responsible for assuring that its subcontractors meet these insurance requirements.

- A. Commercial General Liability on an occurrence basis as follows:

General Aggregate	\$2,000,000
Products-Comp/Op Agg	\$1,000,000
Personal & Adv Injury	\$1,000,000
Each Occurrence	\$1,000,000

RESOLUTION *56069*

AWARDING THE CONTRACT FOR ANALYTICAL LABORATORY SERVICES FOR REGULATORY COMPLIANCE SAMPLING TO THE SELECTED VENDOR, ELEMENT MATERIALS TECHNOLOGY LAFAYETTE, LLC; AND DIRECTING THE EXECUTION OF THE CONTRACT FOR AN AMOUNT NOT TO EXCEED \$300,000.00 COVERING SUCH WORK (ACCOUNT NO. 5100-7700-40-7710-7750-7711-000000-643541, 5100-770-40-7710-7720-0000-000000-643541 AND 5510-7700-40-7760-7765-0000-000000-643541).

BE IT RESOLVED by the Metropolitan Council of the Parish of East Baton Rouge and the City of Baton Rouge that:

Section 1. The Mayor-President is hereby authorized to award the contract for Analytical Laboratory Services for Regulatory Compliance Sampling to the selected vendor, Element Materials Technology Lafayette, LLC and direct the execution of the contract for an amount not to exceed \$300,000.00 covering such work (Account No. 5100-7700-40-7710-7750-7711-000000-643541, 5100-770-40-7710-7720-0000-000000-643541 and 5510-7700-40-7760-7765-0000-000000-643541).

Section 2. Said agreement shall be approved by the Office of the Parish Attorney as to form and legality.
