1. Question: Page 7 of the RFP states: "Engagement with OPSB would begin in August 2024, and the charter cycle is facilitated between September 2024-January 2025." By which date would the evaluation firm be required to submit its final recommendation reports to NOLA-PS? Would that date be in December or January?

Answer: The last two years the independent evaluator has been required to submit its final recommendation reports to NOLA-PS in December. The timeline is dependent upon the state's deadline for authorizers. The past two charter cycles the state's January deadline occurred before the January meeting of the Orleans Parish School Board (OPSB). Thus, NOLA-PS has needed the recommendation reports submitted prior to the December OPSB meeting.
