INVITATION TO BID DOCUMENTS: A complete set of Invitation to bid documents shall be used in preparing bids; neither the Orleans Parish School Board, nor its representatives assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of Invitation to bid Documents.

The forms furnished as part of the specifications **MUST** be used for filing of Invitation to Bid and must be signed by the proposer. **No bids will be considered unless made on the forms provided and must not be detached from the bid document of which it forms a part.** Failure to follow these instructions may result in your bid being disqualified.

OBJECTION TO THE AWARD: If any Bidder who submitted a bid has an objection to the award of the contract to the Selected Proposer, the objecting Bidder shall furnish that protest, in writing, to the Executive Director of Procurement within ten (10) Business Days of the notification of non-award. The protest shall describe in detail the basis for the protest, and shall request a determination under this section of the Instructions to Bidders.

If a protest is filed in a timely fashion, the Executive Director of Procurement will review the basis for the protest and relevant facts under such terms and conditions as considered proper. Upon completion of the review, the Executive Director of Procurement shall submit applicable findings and recommendations to the Superintendent and/or Chief Financial Officer, who shall then review the matter under such terms and conditions, as deemed proper. Upon receipt of authority to act from the Superintendent or OPSB, the Executive Director of Procurement will notify those Bidders involved of its decision. The decision shall be final and binding on the objecting Proposer.

WITHDRAWAL OF BID: Any bid may be withdrawn if clear and convincing sworn, written evidence of obvious mechanical, clerical or mathematical error is furnished by the proposer to the Executive Director of Procurement within 48 hours of bid receipt.

SUPPLIER PERFORMANCE AND EVALUATION: The proposer, vendor, service provider and/or supplier performance process will involve evaluating the proposer, vendor, service provider and/or supplier's overall quality status, as well as evaluating the quality of each material or service the OPSB wishes to purchase. Prior to the invoice submission, the proposer, vendor, service provider and/or supplier, shall meet with a purchasing representative to discuss and review deliverables and timeline events for said services. Contract with automatic renewals will be based upon the OPSB evaluating and analyzing proposer, vendor, service provider, and/or supplier performance.

DEBARMENT AND SUSPENSION: To ensure that the Orleans Parish School Board does not enter into a contract with a debarred or suspended company or individual, each responsive proposer must include a certification statement with each bid. By signing the certification statement, the proposer certifies that neither it nor any of its principals (e.g., key employees) have been proposed for debarment, debarred or suspended by a Federal Agency. It is the responsibility of each proposer to sign the attached certification statement and submit it with the bid. Failure to comply with this requirement will cause your bid to be disqualified and declared non-responsive.

EMPLOYMENT: It is understood that all employees will be employees of the successful firm(s), including but not limited to the successful firm's subcontractors, partners, etc.

NOTICE TO OFFEROR: The OPSB shall consider the intentional employment by the selected firm of unauthorized aliens in violation of U.S. immigration laws cause for unilateral cancellation of the contract resulting from this ITB.

BID FORMAT: Bids should be prepared simply but completely, providing a straightforward, concise description of capabilities to satisfy the requirements of the ITB. Please carefully read Sections as outlines within the Table of Contents. Emphasis should be on completeness and clarity of content.

SELECTION: Selection shall be made of one or multiple firm(s) deemed to be fully qualified and best suited among those submitting bids on the basis of the evaluation factors contained in this ITB. Fee structure/pricing will be considered, but will be one among many determining factors. The OPSB may cancel this ITB, reject bids or any portion thereof at any time prior to an award, and is not required to furnish a statement of the reason why a particular qualification was not deemed to be the most advantageous. Should the OPSB determine in writing and in its sole discretion the firm(s) that is fully qualified, or that one firm is clearly more highly qualified than the others under consideration, a contract may be awarded to that firm.

If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
