**ADDENDUM NO. 2**

**PROPOSAL FOR FURNISHING A RENEWABLE CONTRACT FOR SOLID WASTE & RECYCLING PICK-UP AND DISPOSAL SERVICES FOR THE UNIVERSITY OF LOUISIANA AT LAFAYETTE IN LAFAYETTE, LOUISIANA, AS SHOWN IN THESE SPECIFICATIONS.**

**Due Thursday, June 20, 2024 2:00PM Solicitation No. 25008**

The following clauses/alterations shall be made part of the original specifications as though issued at the same time and shall be incorporated integrally therewith.

**Item No. 1** – UPDATES:

**1. Add Service Location:**

Building	Dumpster Size	Type	Quantity
Antoun Hall	4yd	Trash	1

- 2. Remove ANY/ALL glass and compost waste from the entire bid proposal.**
- 3. Updated Excel spreadsheet is attached and excel format available upon request.**

**Item No. 2** – Responses to vendor questions:

Vendor question:	Department response:
(1) For the Football Season Tailgating Hand Carts, the bid lists 65 gal carts. Would we be able to provide 95 gal carts instead to give a little extra room for waste? This would be the same size as the other handcarts provided on campus.	Yes. I believe that's a typo. We're currently receiving the larger 95-gal carts for tailgating.
(2) Are company decal/logos allowed on dumpsters and bins?	Yes. We do not see a problem with your logos being displayed.
(3) Are recycling bins required to be GREEN?	Yes
(4) On page 7 of the ITB for Solid Waste and Recycling services, #3 LA Contractors License. It states "classification <b><i>such as</i></b> : Specialty: Non-Hazardous Waste Treatment and Removal".  The Louisiana State Licensing Board for Contractors <b><i>no longer offers</i></b> a license under that category. It has been	Yes. That this is acceptable

Vendor question:	Department response:
<p>collapsed to fall under Industrial Cleaning and Material/Waste Handling.</p> <p>I would like clarification that the license for Industrial Cleaning and Material/Waste Handling is acceptable.</p>
