ADDENDUM # 1

Bid Number: 50-00145388

Receipt Date: August 15, 2024

Two (2) year contract for Street Lighting Maintenance for Major Roadways for the Jefferson Parish Engineering Department

REVISION: The Department has added line items reflecting various types of "Labor" charges.

Question & Answer:

1) A vendor requested approval on an as equal solar light product.

ANSWER: The solar light in the contract is for an existing roadway. As with all our existing roadways, any fixture replacement would be in-kind and match the existing fixture unless a complete retrofit is deemed necessary. As our one and only roadway with solar lighting was just completed and still under warranty, any repairs or replacements will be limited and match the existing fixtures. We will gladly review the product for possible use on any future Capital Projects. In addition, the specs require that all submittals go through the bidder/contractor as Jefferson Parish does not purchase directly from a vendor.

THE DEADLINE FOR QUESTIONS WILL BE AUGUST 7, BY 4:00 P.M.

***** REVISED BID FORM ATTACHED. YOU MUST USE THE REVISED FORM FOR SUBMISSION*****

*****PLEASE REMEMBER TO ACKNOWLEDGE THIS ADDENDUM BY NUMBER ON YOUR BID SUBMISSION****

Sincerely,

A handwritten signature in blue ink that reads "Shanna Folse".

**Shanna Folse, Purchasing Specialist III
Jefferson Parish Purchasing Department**

Bidders must acknowledge all addenda on the bid form. Bidder acknowledges receipt of this addendum on the bid form by indicating the addendum number listed above. Failure to list each addenda number on the bid form will result in bid rejection.

This addendum is a part of the contract documents and modifies the original bidding documents and specifications. The contents of this addendum shall be included in the contract documents. Changes made by this addendum shall take precedence over the documents of earlier date.

All Public Work Projects are required to use the Louisiana Uniform Public Work Bid Form

All prices must be held firm unless an escalation provision is requested in this bid. Jefferson Parish will allow one escalation during the term of the contract, which may not exceed the U.S. Bureau of Labor Statistics National Index for all Urban Consumers, unadjusted 12 month figure. The most recently published figure issued at the time an adjustment is requested will be used. A request must be made in writing by the vendor, and the escalation will only be applied to purchases made after the request is made.

Are you requesting an escalation provision?

YES _____ NO _____

MAXIMUM ESCALATION PERCENTAGE REQUESTED _____%

INITIAL BID PRICES WILL REMAIN FIRM THROUGH THE DATE OF _____.

For the purposes of comparison of bids when an escalation provision is requested, Jefferson Parish will apply the maximum escalation percentage quoted by the bidder to the period to which it is applied in the bid. The initial price and the escalation will be used to calculate the total bid price. It will be assumed, for comparison of prices only, that an equal amount of material or labor is purchased each month throughout the entire contract.
