

## Attachment B – Specifications

**RFx: 3000023281**

**Title: \*Fax Bid\* Medical Waste Disposal - LDH-OAAS Villa Feliciano Medical Complex**

---

Pick-ups will be scheduled every week, with pick up days being determined by the agency. The quantities and pounds are estimated, and agency reserves the right to increase and/or decrease as needed. The agency agrees to pay an additional amount of 16.50 per container for any monthly overages.

Pick up containers and Red storage bins are to be supplied by the vendor. Plastic containers will be approximately 15" x 18" x 20" and hold an estimate weight of 45 pounds each. Bins (disposable or reusable) must meet all requirements and regulations of L.D.H., D.E.Q., and E.P.A. in reference to disposal of potentially infectious biomedical waste, and must be acceptable to the Infection Control Officer at the agency.

All containers supplied must be appropriately labeled. Labels must be water resistant, legible and readily visible. If re-useable containers are supplied, vendor is responsible for cleaning containers prior to their return to the agency for reuse. Agency will package and secure the appropriate materials in red bags (supplied by vendor) specifically designed for bio-medical waste and place these in vendor's totes.

Vendor shall be responsible for picking up PIBMW from building's storage site and responsible for loading into transportation vehicle.

Vendor will assure liability of the transportation and disposal of the PIBMW picked up at the agency with a manifest detailing date of pickup and date and manner of disposal. Vendor must secure permits and be in full compliance with D.H.H., D.E.Q., and E.P.A. in order to transport and dispose of PIBMW from agency. Agency must be furnished copies of appropriate permits.

Service must be satisfactory; otherwise, the contract will be cancelled upon written notification from agency 30 days before discontinuance of service.

All invoices should be sent to the following:

Villa Feliciano Medical Complex  
Attn: Accounts Payable  
5002 Highway 10  
Jackson, LA 70748
