ADDENDUM # 2

RFP NO: 0487

Receipt Date: September 24, 2024 3:30 p.m.
Postponed Date: October 4, 2024 3:30 p.m.

Provide Remediation Services for Various Jefferson Parish Departments

Questions & Answers:

1) **QUESTION:** Have parish engineers considered the installation of full port backwater prevention valves at facilities most prone to black and graywater intrusion?

ANSWER- At this time the installation of backwater sewer valves is not part of this RFP.

2) **QUESTION:** Regarding scoring the submittals, if a submitter leaves any line-item blank, that would provide an unfair advantage to that company when scoring the Pricing portion, as it would produce a lower cost number. In years past, I have always been of the opinion, that all lines must be completed in their entirety and specifically as requested/directed?

ANSWER- All items must be bid on.
