

**CITY OF BATON ROUGE
PARISH OF EAST BATON ROUGE
DEPARTMENT OF ENVIRONMENTAL SERVICES**

August 23, 2024

ADDENDUM NO. 1

TO: ALL BIDDERS

SUBJECT: **ANNUAL PARISHWIDE SEWER REPAIR AND REPLACEMENT PROJECT
CITY-PARISH PROJECT NO. 24-PN-MS-0031**

BID DATE: Thursday, August 29th, 2024 at 2:00 PM

The following revisions shall be incorporated in and take precedence over any conflicting part of the original contract document:

PART 1 – UNIFORM CONSTRUCTION BID FORMS:

1. For paper sealed bidders, with reference to page UCBF 1 of 4 of Part 1, Uniform Construction Bid Forms, the Bidder shall indicate the receipt of this addendum in the space provided. For online Central Bidding bidders, an acknowledgement of this addendum will be prompted by the electronic bidding program prior to formally submitting the bid. **Failure to indicate the receipt of this addendum shall be cause for the bid to be rejected.**
2. Replace the Unit Price Form with the attached Revised Unit Price Form (dated 8/21/24). This Revised Unit Price Form **MUST** be used by all Bidders for this project. The UCBF on the Central Bidding website has been updated to reflect the changes on the attached UCBF. **Failure to submit on the revised Unit Price Form shall be cause for the bid to be rejected.**

PART 2 – SPECIAL PROVISIONS AND CONTRACT DOCUMENTS:

1. For paper sealed bidders, with reference to page UCBF 1 of 4 of Part 1, Uniform Construction Bid Forms, the Bidder shall indicate the receipt of this addendum in the space provided. For online Central Bidding bidders, an acknowledgement of this addendum will be prompted by the electronic bidding program prior to formally submitting the bid. **Failure to indicate the receipt of this addendum shall be cause for the bid to be rejected.**
2. Replace the Unit Price Form with the attached Revised Unit Price Form (dated 8/21/24). This Revised Unit Price Form **MUST** be used by all Bidders for this project. The UCBF on the Central Bidding website has been updated to reflect the changes on the attached UCBF. **Failure to submit on the revised Unit Price Form shall be cause for the bid to be rejected.**

SPECIAL PROVISIONS

1. Remove the Agreement and replace with the revision version attached to this Addendum.

Questions

1. Clarify that authorized quantity of expected restoration should be determined at the time of repair, and documented on 1 of 2 paysheet – if inspector has questions about scope of 2 of 2 restoration, contact CM for instruction. The amount & type of restoration estimated on the 1 of 2 paysheet should be a reliable indicator of the scope of the work required for the 2 of 2.

An estimate will be made on the required restoration quantities at the time that the original repair is completed. However the final quantities will be subject for review and approval by the Engineer. The foreman should provide feedback on the estimated restoration quantities to the Inspector at the time the repair is completed.

2. Clarify payment for Sod – should depend on existing conditions, access, and site specifics rather than pre-established limits – see question 1

Refer to 7-7.3 Preservation and Restoration of Property and Note 11 on Standard Detail 801-01. Prior approval of payment will not be given for sod that is located outside of sewer servitude or public right of way.

3. Please consider an allowance for hand digging, down time, surcharged lines, decisions, & other items beyond contractors' control - possibly some reasonable quantity of hourly crew costs in bid?

There will be no allowances added to the project for hand digging, down time, surcharged lines.

4. Payment for excavation footage should consider adequate length for trench boxes, etc. (which are required by OSHA, not contractors' means & methods)

There will be no modifications to the measurement and payment of excavation pay item. Contractor shall make every effort to perform the work in accordance with the Specifications and Standard details. Final quantities for repairs are subject to the review and approval by the Engineer.

5. Payment for backfill (limestone) not just by detail trench limits; should consider actual amount required due to trench protection, utilities, soil conditions, etc

There will be no modifications to the measurement and payment of the backfill pay items. Contractor shall make every effort to perform the work in accordance with the Specifications and Standard details. Final quantities for repairs are subject to the review and approval by the Engineer.

6. Re: 802.10 m/n/o: Payment for Excavation required for Service Lateral Mainline Connection Associated with CIPP/Slip Lining/HDPE is currently limited to 6' in length at the appropriate depth range. The allowable payment should be determined by the excavation required for the specific site, with consideration given for utilities, trench protection, etc.; similar to Question 4.

Additional excavation will be allowed beyond the 6' on a case by case basis. Final quantities for repairs are subject for review and approval by the Engineer.

7. Clarify measurement & payment for the following items:

- Miscellaneous Work & Cleanup (per each)
- Temporary Signs & Barricades (per each)

The currently-written specification for measurement and payment for these items is on a percentage-complete basis of the entire contract, and is not related to the work orders. At present, these items are typically paid as one each upon completion of a given individual work order, but this is not spelled out in the specifications. There is also no specified provision for partial payment of these items if the work order has not been completed, the number of repairs in the work order is reduced or increased, or if we are working on multiple work orders at the same time. Please revise the specification to reflect how these items will be paid. One possibility would be to pay one each upon completion of 50 work orders, or a partial payment based on the percentage of the work order completed. (For example: Completion of 40 of 50 repairs would qualify for payment of 80% of one item.)

Under normal circumstances, the payment of the Miscellaneous Work and Cleanup and the Temporary Signs and Barricades pay items will be paid in full upon completion of a Work Order as defined in Section 9-3 of the Specifications.

At the discretion of the Engineer, a lump sum payment, or partial payment, may be paid once a substantial completion of a Work Order is accomplished. This is intended only for situations where most repairs on a work order have been completed, and remaining repairs have conflicts that are causing a delay in completion.

8. Please clarify the expected type of the majority of repairs on this contract -will they be issued based on primarily Q alerts? Videos? Some combination? In the past, Annual has been primarily from videos, and Supplemental has been mostly Q-Alerts, but recently Annual has also been mostly Q-Alerts. The type of repair greatly impacts the cost/pricing.

There will be no guarantees on the type of repairs issued on this Contract. The Owner has the need to make repairs on customer service requests (Cave Ins/Sinkholes, Inside Residential Backups, Overflows) as well as repairs identified by CCTV as a part of investigations of chronic sanitary sewer related issues. The Contractor should expect to receive work orders including both types of repairs.

9. Can you provide the list of EBR approved SEDBE vendors?

The list of certified SEDBE vendors is attached. If there is a vendor on the LAUCP/DOTD list that is not on the EBR list they can typically be added within 48 hours by submitting the application at the link below.

<https://www.brla.gov/2901/Socially-and-Economically-Disadvantaged->

10. Can you provide clarification on the DBE goal? Is it a goal or a requirement?

Please refer to the attached East Baton Rouge ordinance for clarification on the SEDBE Participation Program. The ordinance can also be accessed at the link below:

<https://www.brla.gov/2901/Socially-and-Economically-Disadvantaged->

AGREEMENT

This Agreement made and entered into at Baton Rouge, Louisiana, effective this ___ day of _____, 2024, by and between the **City of Baton Rouge and Parish of East Baton Rouge**, hereinafter called "Owner", and _____, hereinafter called "Contractor".

The Contractor shall perform all work required by the Contract Documents for the construction of:

ANNUAL PARISHWIDE SEWER REPAIR AND REPLACEMENT PROJECT CITY-PARISH PROJECT NO. 24-PN-MS-0031

The following Contract Documents are all hereby made a part of this Agreement to the same extent as if incorporated herein in full:

1. Notice to Contractors
2. Uniform Construction Bid Forms
3. Unit Price Form
4. Special Provisions/Technical Specifications
5. The Construction Drawings
6. The Standard Specifications
7. The following enumerated addenda _____

CONTRACT TIME

The award of this contract is based on an annual contract and will remain in effect from the effective date of the Agreement until December 31, 2025, with an option to extend for up to two (2) additional one (1) year periods, provided all prices, terms, and conditions remain the same, upon mutual agreement of the contracting parties except as listed below. Time is of the essence on the contract and the Notice to Proceed will be issued promptly. The Contractor shall perform work under this Contract on the dates and at the times as specified by written Work Order by the Director of Environmental Services or his representative. Work shall begin within the time limits specified in the Work Order. Work shall be complete in all details and ready for final acceptance within the time limits specified in each Work Order. Time is of the essence on the contract and the Notice to Proceed will be issued promptly. The Contractor shall perform work under this Contract on the dates and at the times as stated in the Contract Documents.

Commencing on the first annual renewal of the contract and continuing on an annual basis thereafter through any extension of the Contract, the Unit Prices charged by the Contractor, upon request, shall be adjusted upward as follows. The rate adjustments will be made effective on the date of the executed renewal amendment thereafter based on fluctuations in the Consumer Price Index for All Items Not Seasonally Adjusted, (published by the Bureau of Labor Statistics, U.S. Department of Labor ("C.P.I.")). The adjustment factor shall be calculated by each ensuing annual period by the net annual percentage change of the C.P.I. All percentage changes shall be computed as the difference between the change in the index value for the previous twelve months ending in October, divided by the change in the index value for the twelve months prior, multiplied by the applicable factors. The adjustments shall only be made if resulting in a positive increase in the Unit Prices; if the percentage change is negative, no adjustment shall be made to the Unit Prices for the upcoming year. Percentage changes shall not exceed 3% of the previous Unit Prices.

FAILURE TO COMPLETE WORK ON TIME

Should the Contractor fail to mobilize within the time limits specified in the Work Order or complete the work authorized by any Work Order within the time limit specified, as extended, the Contractor will be penalized in accordance with the Contract Documents.

INTERPRETATIONS OF CONTRACT PROVISIONS

The interpretations of the provisions of this contract by the Director, Department of Environmental Services, shall be binding upon both parties hereto.

CONTRACT PRICE

The amount to be paid to the Contractor by the Owner is _____ (\$ _____).

Contract price shown is based on the Unit Price Form included in Contractor's Uniform Public Works Bid Form for the project showing approximate quantities and unit prices therefore. The final contract price will be determined by the actual quantities in place at the unit prices set forth in said form and any other modifications or changes as mutually agreed upon in writing.

PAYMENT

The Owner will make partial or progress payments less applicable retainage, based upon monthly estimates, in accordance with the Contract Documents and subsection 10-6 of the Standard Specifications.

Upon satisfactory completion of the work, the Owner will make a final payment in accordance with provisions of the Contract Documents.

INSURANCE, INDEMNITY AND LEGAL REGULATIONS

Insurance, indemnity requirements, and legal regulations shall conform to those stated in the Contract Documents.

RIGHT TO AUDIT

The Contractor shall permit the authorized representative of the City-Parish to periodically inspect and audit all data and records of the Contractor relating to his performance under this contract.

IN WITNESS WHEREOF, the parties hereto have executed this agreement effective as of the date first written above.

PERFORMANCE AND PAYMENT BOND

(Required For Contracts Over \$25,000)

That we, the undersigned _____ as principal, hereinafter referred to as "Contractor" and _____, duly authorized to transact business in the State of Louisiana as surety, are held and firmly bound unto the City of Baton Rouge and Parish of East Baton Rouge, hereinafter referred to as "Owner", in the penal sum of _____ (\$ _____) lawful money of the United States, for the payment of which well and truly to be made, the said principal and the said surety do hereby bind ourselves, our heirs, executors, administrators, and assigns, jointly and severally, by these presents as follows:

The condition of this obligation is such that whereas, the Contractor by an instrument in writing attached hereto and bearing date of _____, 20____, has agreed with said Owner to furnish labor, materials, tools and equipment to construct: **ANNUAL PARISHWIDE SEWER REPAIR AND REPLACEMENT PROJECT, CITY-PARISH PROJECT NO. 24-PN-MS-0031** shown on plans and specified thereby and in the specifications, proposals, and agreement forming the contract documents thereto attached.

NOW THEREFORE, if said Contractor shall well and truly in good, sufficient and workmanship manner, and to the satisfaction of the Owner, perform and complete the work required and shall pay all costs, charges, rentals, and expenses for labor, material, supplies, and equipment and deliver the said improvement to the Owner complete and ready for occupancy or operation, and free from all liens, encumbrances or claims for labor, material or otherwise; and shall pay all other expenses lawfully chargeable to the Owner by reason of any default or neglect of the said Contractor in the performance of said agreement and said work, then this obligation shall be void, otherwise to remain in full force and effect.

PROVIDED FURTHER, That the said surety for value received hereby stipulates and agrees that no change, extension of time, alterations, or addition to the terms of that contract, or the work to be performed there under, or the specifications accompanying the same, shall in anywise affect its obligation on the bond and it does hereby waive notice of any change, extension of time, alterations, or addition to the terms of the contract, or the work, or the specifications.

PROVIDED FURTHER, That if the Contractor, or his, their, or its subcontractors fail to duly pay for any labor, materials, team hire, sustenance, provisions, provender or any other supplies or materials used or consumed or for any materials or supplies furnished for use by such contractors or his, their, or its subcontractors in performance of the work contract to be done, the Surety will pay the same in any amount not exceeding the sum specified in the bond, together with interest and attorney's fees as provided by law.

IN WITNESS WHEREOF, Said Principal and Surety have hereunto set their hands and seals this _____ day of _____, 20____.

Sec. 1:712. Socially and economically disadvantaged businesses; declaration of policy.

It is the policy of the city-parish to provide opportunities to businesses owned and controlled by socially and economically disadvantaged persons to participate meaningfully in the contracting activities of the city-parish that involve public spending or private projects that utilize public funding or incentives.

(Ord. No. 18097, § 1, 4-28-21)

Sec. 1:713. Definitions.

The following definitions shall apply to this part:

Socially and economically disadvantaged business or *SEDB* means an entity or individual certified as a socially and economically disadvantaged business through one (1) or more certification program(s) designated by the division of supplier diversity.

SEDB goal means the anticipated aggregate portion of work to be performed by SEDBs in connection with a contract subject to this part.

Vendor means any individual or entity in a contract, or seeking to be in a contract, with the city-parish involving public spending, public funding, and/or public incentives, including tax credits or waivers through which the city-parish forgoes its normal taxes and fees, except as otherwise provided in this part.

(Ord. No. 18097, § 1, 4-28-21)

Sec. 1:714. Establishment of the division of supplier diversity.

There is hereby established a division of supplier diversity governed by the provisions set forth below to help address the effects of past and present social and economic discrimination by increasing the utilization of certified socially and economically disadvantaged businesses in the procurement of goods and services by the City of Baton Rouge and the Parish of East Baton Rouge.

The division of supplier diversity will manage and oversee the city-parish's SEDB program. The division of supplier diversity will report to the director of purchasing.

(Ord. No. 18097, § 1, 4-28-21)

Sec. 1:715. Primary functions of the division of supplier diversity.

The division of supplier diversity is the city-parish's division to oversee activities, including certification, compliance, outreach, training and capacity building for local SEDBs.

It is the city-parish's objective to ensure that SEDBs are fully and properly participating in publicly-funded contracts and purchases, or where public spending is involved. In order to meet this objective, the city-parish will take necessary steps to ensure that SEDBs have equal opportunity to compete for and perform services for the city-parish. The division of supplier diversity will therefore have the primary responsibilities, including but not limited to:

- (1) Develop and use appropriate techniques to address SEDB concerns and increase access in contracts and purchases;
- (2) Ensure that positive actions are taken to promote SEDBs and SEDB participation;
- (3) Define eligible spending and spending goals for different services, materials, and supplies;

-
- (4) Coordinate the SEDB program with key departmental staff and agencies;
 - (5) Define and establish guidelines on business eligibility for the SEDB program;
 - (6) Develop and administer certification and decertification processes for eligible SEDB entities;
 - (7) Review all bids and contracts for compliance with SEDB goals;
 - (8) Verify that substitutes are eligible for the SEDB program;
 - (9) Maintain a registry of SEDB firms available for possible contract and purchase opportunities;
 - (10) Monitor, track and report the performance of the SEDB program;
 - (11) Act as an arbitrator in disputes involving the SEDB program;
 - (12) Act as the single point of contact for interpretation of supporting rules and regulations governing the SEDB program;
 - (13) Serve as a liaison to local trade organizations and associations; and
 - (14) Establish additional rules as necessary to implement the provisions of section 1:711.

(Ord. No. 18097, § 1, 4-28-21)

Sec. 1:716. SEDB registry.

The city-parish shall create and maintain a publicly available registry of all businesses or individuals certified as SEDBs through a certification program or programs designated by the city-parish.

(Ord. No. 18097, § 1, 4-28-21)

Sec. 1:717. Participation goals.

- (a) *City-parish funded goal.* There is an overall goal of twenty-five percent (25%) for the utilization of SEDBs for all city-parish public spending or private projects that utilize public funding or incentives, subject to any SEDB goal established pursuant to this part.
- (b) *Other funded goals.* An overall goal will be set for participation in those contracts that are funded, in part or in whole, with funds received by the U.S. Department of Transportation (DOT) in accordance with 49 CFR Parts 23 and 26 and by the U.S. Environmental Protection Agency in accordance with their office of small disadvantaged business utilization guidance document and any other federal or state funded program that has an established DBE program or goals. Funds received from the U.S. Department of Transportation shall include the Office of the Secretary, the Federal Highway Administration (FHWA), the Federal Transit Administration (FTA), and the Federal Aviation Administration (FAA).

(Ord. No. 18097, § 1, 4-28-21)

Sec. 1:718. SEDB goal setting.

The division of supplier diversity shall implement a procedure for establishing individual SEDB goals for each contract or spend category subject to this part based on the availability of SEDBs in the relevant market sector.

(Ord. No. 18097, § 1, 4-28-21)

Sec. 1:719. Contracting requirements.

The city-parish shall reject any bid subject to this part and shall not award, enter into, or amend any contract subject to this part that is not supported by documentation establishing that the vendor has met the applicable SEDB goal or made good faith efforts to meet the applicable SEDB goal. Standards and criteria for evaluation and documentation of good faith efforts shall be established in writing by the division of supplier diversity and may include, but not be limited to, the following:

- (1) Solicitation of SEDBs through reasonable and available means;
- (2) Identification of work to be performed by SEDBs;
- (3) Provision of information about the requirements of work to be performed by SEDBs; and
- (4) Negotiation with SEDBs in good faith.

(Ord. No. 18097, § 1, 4-28-21)

Sec. 1:720. Reporting.

- (a) The purchasing division shall submit to the metro council a report identifying the city-parish's SEDB goals and attainment rates for the prior year.
- (b) All city-parish departments and agencies shall prepare and submit an annual report to the division of supplier diversity by April 30 of each year identifying their SEDB participation goals and attainment rates for the prior year. The SEDB report shall include the following information:
 - (1) The total number and value of all contracts awarded during the reporting period;
 - (2) The total number and value of all contracts awarded to SEDBs as prime contractors (expressed as a percentage and dollar value of subsection (1) above);
 - (3) The total number and value of all contracts awarded by non-SEDB prime contractors to SEDBs as subcontractors (expressed as a percentage and dollar value of subsection (1) above);
 - (4) The overall number and value of all contracts awarded to SEDBs during the reporting period (the sum of subsections (2) and (3) above); and
 - (5) Whether the contract is a procurement, professional services, personal services, or construction contract.

(Ord. No. 18097, § 1, 4-28-21)

Sec. 1:721. Remedies for non-compliance.

In addition to any other corrective action allowed by law, contract, or city-parish policy, any vendor with a contract with the city-parish who fails to comply with the provisions of this part may be subject to corrective action, which may include but need not be limited to:

- (1) Withholding of all or any portion of payments due to the vendor until the non-compliance is cured;
- (2) Stipulated damages;
- (3) Termination of any or all of the vendor's contracts with the city-parish; and
- (4) Suspension, debarment, or determination of non-responsibility.

(Ord. No. 18097, § 1, 4-28-21)

Sec. 1:722. Application.

- (a) Except as otherwise provided and subject to all local, state, and federal laws affecting the city-parish's procurement of goods and services or use of funds, this part shall apply to all contracts of the city-parish, including all departments and agencies.
- (b) Exempt contracts. This part shall not apply to:
 - (1) The procurement of immovable property;
 - (2) The resolution of any legal claim;
 - (3) Cooperative endeavor agreements;
 - (4) Any procurement to satisfy declared emergency needs;
 - (5) Restoration tax abatement credits for owner-occupied residential properties not exceeding six (6) residential units; and
 - (6) Any procurement or contract, except those for public works, valued at less than the applicable formal competitive procurement threshold.
