Supplier Inquiry and Response

Q1. I have a question in regards to the building washing bid. I see on the price sheet it states all or none. What is this referring to?

A1. The method of award is "All or None". The bid shall be awarded to the lowest responsible and responsive supplier for all items.

Q2. I am studying for my contractors license and do a lot of larger projects but I am under the impression that my work is subject to a \$50,000 cap without license. Is there any chance an actual wash company, from Louisiana, could put a bid in and it come to fruition without license. If not, I will bring contractor in to be subcontracted from.

A2. Supplier or its subcontractor(s) are required to possess and maintain a Louisiana Commercial Contractor's license with at least one of the following classifications: Limited Specialty Services, Painting/Coating and Blasting or Building Construction.

Q3. For this project, what days and times are we allowed to work? Can we work during the weekday while school is in session, or do we have to work when school is out of session (holidays, weekends, etc...)

A3. Work hours are 6:30 AM to 5:00 PM Monday through Friday. Supplier may be approved to work on weekends and holidays (if requested) but at the same price listed in the bid.

Q4. Per the specifications: Areas to be Cleaned: A. All exterior walls (If applicable for any of the below) B. All caps, bands and sills. C. Handicap ramps connected to buildings D. All steps entering buildings E. All decorative walls adjoining buildings F. All retaining walls adjoining buildings G. All columns H. All entrances and over-hangs I. Receiving docks all pits and steps. J. HVAC walls.

On yesterday, during the walk through, it was said that you're only wanting the buildings washed and nothing else. Can you please clear this up, because the document states differently?

A4. The expected areas to be cleaned are listed in the specifications under "Areas to be Cleaned".
