**Addendum #4**

**Football Locker Rm. Renovation and Locker Rm Upgrades**

**50018-250011**

We wish to inform you that the current bid for Football Locker Rm. Renovation and Upgrads has been cancelled as we have determined it would be beneficial to separate the project into distinct components. This adjustment will allow for a more precise approach to each segment and will enable us to align with project goals more effectively.

A revised bid announcement for each separate component will be issued shortly, with updated specifications and submission requirements. We encourage your continued participation and welcome your bids on the newly structured projects.

Thank you for your understanding, and we apologize for any inconvenience caused. Should you have questions regarding this change, please don't hesitate to reach out.
