**Title: UTVs for LDWF**

**2. Terms and Conditions:**

This solicitation contains all terms and conditions with respect to the commodities herein. Any vendor contracts, forms, terms, or other materials submitted with bid may cause bid to be rejected.

**3. Vendor's Forms:**

The purchase order is the only binding document to be issued against the contract. Signing of vendor's forms is not allowed.

**4. Prices:**

Prices shall be complete, including transportation/freight charges prepaid by bidder to destination, inside delivery, unpacking, assembly of all components and removal of all associated debris from premises. Prices should be quoted in the unit (each, box, case, hour, flat, mile, etc.) as specified in the solicitation.

**5. Acceptance:**

Unless otherwise specified, bids on this contract will be assumed to be firm for acceptance for a minimum of sixty (60) days. If accepted, prices must be firm for the specified contract period.

**6. Freight Charges:**

Unit price shall be inclusive of any freight charges. Bid should be F.O.B. Destination-title passing upon receipt of goods. Failure to comply with this requirement may disqualify your bid.

**7. Payment:**

Payment will be made on the basis of unit price as listed in the contract; such price and payment will constitute full compensation for furnishing and delivering the contract commodities. In no case will the State agency refuse to make partial payments to the Contractor although all items have not been delivered. This payment in no way relieves the Contractor of his responsibility to effect shipment of the balance of the order. Payment will be to vendor and address as shown on order.

**8. Invoices:**

Invoices will be submitted by the Contractor to the using agency and the invoice shall refer to the delivery ticket number, delivery date, purchase order number, quantity, unit price, and delivery point. Invoices shall show the amount of any cash discount and shall be submitted on the Contractor's own invoice form.

**9. Electronic Vendor Payment Solution:**

In an effort to increase efficiencies and effectiveness as well as be strategic in utilizing technology and resources for the State and Contractors, the State intends to make all payments to Contractors electronically. The LaCarte procurement card will be used for purchases of \$5,000 and under, and where feasible, over \$5,000. Contractors will have a choice of receiving electronic payment for all other payments by selecting the Electronic Funds Transfer (EFT). If you receive an award and do not currently accept the LaCarte card or have not already enrolled in EFT, you will be asked to comply with this request by choosing either the LaCarte Procurement Card and/or EFT. You may indicate your acceptance below.

The LaCarte Procurement Card uses a Visa card platform. Contractors receive payment from State agencies using the card in the same manner as other Visa card purchases. Contractors cannot process

payment transactions through the credit card clearinghouse until the purchased products have been shipped or received or the services performed.

The file must contain the particular item number, quantity, line total and order total. Records of these purchases must be provided to the Office of State Procurement on request.

EFT payments are sent from the State’s bank directly to the payee’s bank each weekday.
