each location. Regarding deficiencies or damage, the vendor should provide a quote for the repair of any deficiency or damage. STP Public Works will determine if repair work is within our budget. If we proceed with repairs a separate PO will be issued.

Question 3. Is there a previous maintenance log available for each unit?

Answer 3. No, a maintenance log is not available.

Question 4. Do all signage requirements need to meet MUTCD standards?

Answer 4. Yes, all signage requirements must meet MUTCD standards.

Question 5. Has the parish thought of establishing pay items for the actual repairs items? Such as solar panel, battery, radar sign assembly and full assembly replacement.

Answer 5. No, we will possibly establish those items in the future.

Question 6. Old River Rd- Both units have been removed from site will they be reinstalled by Parish in working condition prior to starting inspection contract?

Answer 6. Please refer to General Information #1.
