Bid delivery instructions for the Office of State Procurement:

Refer to Page 1 in Attachment A - Special Terms and Conditions

This solicitation is to establish a Blanket Order Contract to provide Mattress Supplies as specified for the Louisiana Department of Corrections - Prison Enterprises for an initial 1-year period beginning with January 1, 2025 or date of award, whichever is later, and ending December 31, 2025. At the option of the State of Louisiana and acceptance by the Contractor, this contract may be renewed for two additional 12-month periods at the same prices, terms and conditions. Total contract time not to exceed 36 months.

Blanket Order Contract: Items are to be called for by the using agency as needed. No shipments are to be made until the Agency calls or otherwise submits an order for shipment of a specific quantity. Quantities are estimated, and they may be increased or decreased as needed throughout the contract period. Individual order quantities, when called for, are based on the using agency's demand at the time of order. Minimum orders may be one unit, unless otherwise stated. A blanket order contract is not a guarantee of any quantity. Unit price should be inclusive of any freight charges. Contractor must be able to obtain and supply the item(s) at their bid price for the entire contract period and within the delivery timeframe provided for on their bid. Unused quantities must not be invoiced and will not be paid.

Blanket Order Delivery: The State reserves the right to reject any and all vendors who cannot make delivery within the stated timeframe, as specified in the line(s) of the RFx, from the date the order is called in or otherwise submitted by the using agency.

Method of Award: It is the intent of the State to award this contract on a grouped basis, to the overall lowest responsive, responsible bidder(s) meeting the specifications, for each group. Otherwise, items will be awarded separately. The State further reserves the right to reject individual items from the award.
