

ST. TAMMANY PARISH

MICHAEL B. COOPER
PARISH PRESIDENT

December 10, 2024

Please find the following addendum to the below-mentioned QUOTE.

Addendum No.: 3

Quote#: 24-64-1

Project Name: St. Tammany Parish Artificial Reefs – Material Hauling

Quote Due Date: Tuesday, December 17, 2024

GENERAL INFORMATION:

PLEASE NOTE: Any quotes sent in prior to the New Due Date of Tuesday, December 17, 2024, **will need to re-submit** their quote in order to acknowledge **all addendums** on the Quote Pricing Sheet,(Attachment “A”).

QUESTIONS & ANSWERS:

Question 1: I needed some clarification on the St. Tammany Reef Bid. Could you please define the unit price on the quote package?

Answer 1: Unit Price is the bid amount (\$) per ton of material delivered from the Material Stockpile Site to the Material Drop Off Site.

Question 2: Please provide specific details required to comply with, "material hauling unit price". Is that calculated as pre-truckload price?

Answer 2: The unit price is measured per ton of material delivered to the Material Drop-Off Site.

ST. TAMMANY PARISH

MICHAEL B. COOPER
PARISH PRESIDENT

Question 3: what is the timeframe for payment upon completion of hauling the material?

Answer 3: Net 30.

Question 4: Is this a new solicitation?

Answer 3: Yes.

Question 5: If not, who is the original awardee?

Answer 5: N/A

Question 6: How much was the award amount?

Answer 6: N/A

Question 7: There was no SF 1449 attached. Is one required?

Answer 7: Parish does not require.

Question 8: Can there be the addition of a teaming partner or subcontractor?

Answer 8: The primary contractor can hire subcontractors.
