

## ST. TAMMANY PARISH

MICHAEL B. COOPER  
PARISH PRESIDENT

**December 16, 2024**

Please find the following addendum to the below-mentioned QUOTE.

**Addendum No.: 4**

**Quote#: 24-64-1**

**Project Name: St. Tammany Parish Artificial Reefs – Material Hauling**

**Quote Due Date: \*NEW\* Friday, December 20, 2024**

### GENERAL INFORMATION:

---

1. **PLEASE NOTE** that the Quote opening has been **pushed** to **Friday, December 20, 2024**. Time and location remain the same.
2. **PLEASE NOTE:** Any quotes sent in prior to the New Due Date of Friday, December 20, 2024, **will need to re-submit** their quote to acknowledge **all addendums** on the Quote Pricing Sheet, (Attachment “A”).

### QUESTIONS & ANSWERS:

---

Question 1: The truck/load weighing requirements are unclear.

a. Who pays for the weighing of each load?

**Answer 1(a)-The bidder/contractor is responsible for weighing each load at his own cost.**

b. Will PMC provide the scales for weighing at the dump area?

**Answer 1(b)-The bidder/contractor shall coordinate the use of scales from any available vendor at his own discretion and expense.**

c. Will PMC charge the transporter, or will STPG pay for these charges?

## ST. TAMMANY PARISH

MICHAEL B. COOPER  
PARISH PRESIDENT

Answer 1(c)-PMC will not charge the transporter for access and dumping the material. The transporter shall coordinate all dumping activities directly with PMC. Any use of PMC equipment shall be coordinated directly with PMC.

d. Will the transporter be required to travel to offsite scales to weigh each load?

Answer 1(d)-The bidder/contractor shall arrange the use of scales at his own discretion.

Question 2: Can the transporter load and haul the materials at night? If not, what hours can we load, haul, and dump?

Answer 2: The transporter shall only load, haul, and dump, during daylight hours (Sunrise to Sunset). The transporter shall coordinate all dumping directly with PMC.
