We are more concerned from whom we purchased the merchandise than from whom the merchandise was shipped. If freight is unidentifiable, the University will be forced to refuse shipment.

  - v. The University will take no part in the delivery of this merchandise except as noted above.
  - vi. Should for any reason merchandise of a nature requiring additional unloading labor be delivered to our Campus without the vendor being here to receive the freight, the University will refuse to receive the freight and ask the freight line to contact the vendor to arrange for proper delivery. The University will not be responsible for re-delivery charges.
- c. Cash discounts will be considered and time will be counted for date of delivery at the University of Louisiana at Monroe or from date correct invoice is received from contractor, if latter date is later than date of delivery.
