Janitorial Stock Supplies

General Specifications

The Campus Technology and Supply Store (CTSS) Department of Auxiliary Enterprises at the LSU Health New Orleans (LSUHNO AE) is anticipating the purchase of janitorial and miscellaneous supplies for its CTSS operation. The attached list represents items that will be carried in stock and will be immediately available to CTSS upon request. The successful bidder for each item will be the primary supplier of that item for the duration of the contract. The resulting contract shall be for a twelve-month term beginning February 15, 2025 through February 14, 2026. Due to an anticipated lengthy evaluation process, the bid opening will be Tuesday, January 21, 2025 @ 2:00 P.M. with an anticipated award date of Friday, February 7, 2025.

LSU Health New Orleans is closed for the holidays from Tuesday, December 24, 2024 through Wednesday, January 1, 2025 – reopening Thursday, January 2, 2025. No bid submissions or questions will be accepted during that period.

Ship To Addresses

Here is a complete list of the current ship to addresses:

1901 Perdido Street – a total of three locations within the building, room 1245 (Facilities) being the most used. The other rooms are 2100 (Scientific Supply Center) and 2200 (Campus Technology & Supply Store).
New Orleans, LA 70112

It is unlikely, but LSUHNO AE reserves the right to add to the list of ship to addresses.

Orders delivered to the incorrect address will need to be picked up by the vendor and re-delivered to the correct address.

Substitutions and Pricing Changes

For items that list NO under “Substitutions Accepted?” column on the bid sheet, only the listed item will be accepted. If listed item is not available, note No Bid. For all other items, equivalent products of equal or greater quality will be considered. Bidders must indicate the stock

number and manufacturer of substitutions being offered.

Bidders must indicate standard quantities per order unit of items being offered (e.g. 24 each per case) otherwise the quantities will be assumed to be the same as indicated by the description and stock number provided, and the successful bidder will be responsible for providing these quantities at the offered price. If the attached stock list does not indicate a quantity per unit, the standard number per units should be used, with the vendor indicating that number.

Quoted prices must remain fixed for the period of the contract and include all shipping, handling, hazardous fees, insurance, fuel surcharges and any other associated costs. Bids submitted that do not include these costs or have variable pricing will not be considered. **All shipping charges must be included in bid pricing. No minimum order requests will be accepted.**

Once the bid awards have been completed and specific products associated with each vendor awarded, any substitutions or pricing changes of awarded products will not be accepted **unless approved prior to invoice billing** by LSUHNO AE CTSS Manager Marshall Carll.

The award of this bid will be for a period of one year (the aforementioned February 15, 2025 through February 14, 2026). Every 60 days, the successful vendor will have the opportunity to present to LSUHNO notification from the product manufacturer of any expected cost fluctuations. At this time, the vendor may ask LSUHNO to agree to price changes for specific products at the same rate indicated in the manufacturer's letter to the successful vendor. LSUHNO may choose to either accept these changes and maintain this agreement at that time, or terminate the agreement for that specific item immediately.

If an item is discontinued during contract period, an acceptable substitute must be provided at original bid price.

Unapproved product substitutions or pricing changes will be documented. Multiple unauthorized substitutions will be grounds to terminate the contract and award all awarded items to the next lowest bidder.

Samples

Upon request, apparent low bidders must supply adequate information (including data sheet) and/or samples of equivalent bid items for evaluation from CTSS. **All samples must be furnished within five business days of request.**

When submitting pricing for **ALL LINERS AND GLOVES**, samples **must be** included with bid submittal. Failure to provide samples of the liners and gloves with the bid submittal will mean those items will not be considered and the next apparent acceptable low bid will be considered.

The sample product must **exactly** replicate the final product.

Delivery Times

It is expected that orders will be filled and delivered within five working days of receipt of the order by the vendor. It is expected that the successful vendor will maintain a sufficient inventory on hand to meet the needs of the warehouse operation. In cases where an item is backordered in excess of two weeks, the vendor must offer an equivalent or superior substitute product at the original awarded price. Vendors who fail to provide merchandise within this time frame may be considered in breach of contract and as a result the purchase order may be cancelled.

Shipment Terms

Orders will be submitted via email. Please provide appropriate email address.
