Supplier Inquiry and Response

Q1. You answered that the last bid awarded was \$145,000 in 2022. Is this amount for all of the LSU campuses or just for the main?

A1. This is for main campus.

Q2. Do you know the budget for this solicitation?

A2. The budget is \$145,000.

Q3. Could you kindly provide clarification on why a license is necessary for the scope of work being requested? Understanding the specifics will help us determine the best way to meet your needs and ensure compliance.

A3. Per the Louisiana State Licensing Board For Contractors, the license is required for this scope of work, and before a contractor may legally bid or perform work in this state, he must have the required active license issued by the Louisiana State Licensing Board.

Q4. I would like to request clarification regarding Solicitation RFQ-0000002412, titled Supplemental Painter Manpower - Term Contract. It is stated in the RFP that "Supplier is responsible for obtaining required parking passes/access wands for transportation throughout campus and job site parking. LSU Facility Services will not be responsible for getting supplier access into campus at any time." Please advise on what type of parking permit we should be prepared to obtain.

A4. See #7 Supplier Parking on the LSU Campus – Permits & Gates Passes on the LSU Term Contract – Terms and Conditions page of the bid.
