

Request for Information (RFI) # 305PUR-CostAllocationServices

Addendum 1

Addendum Effective Date: 2/10/2025

Purpose of Addendum: To include agency's target budget information.

Target Budget is not to exceed \$500,000 for an anticipated project timeline of equal to or less than 24 months.

Clarity on the Cost Allocation Plan under review:

Within the Scope of work, the Cost Allocation plan that is being reviewed and updated is the LDH Public Assistance Cost Allocation Plan (PACAP) and not the Division of Administration Statewide Cost Allocation Plan (SWCAP). SWCAP should be removed and replaced with LDH PACAP in Activity Bullet 1 and Activity Bullet 5.
