

Campus Location and Cost per Square Foot (sq ft)																
Instructions: The price sheet is broken down by campus and is further broken down by building/structure height or surface type.																
Prospective bidders must bid all lines per campus in order to be considered for an award for that campus.																
Pricing is to be quoted per UOM listed below:																
Please see Attachment D - Buildings by Campus which references all of the buildings for each campus. This is a potential list of buildings that may be cleaned.																
The attachment is for informational purposes only. No quantities are guaranteed.
