These items must be bid as specified.** Bidders must indicate the stock number and manufacturer of substitutions being offered. Bidders offering equivalent products must supply a product data sheet for all equivalent products with bid submittal – failure to submit the data sheets may cause rejection of the bid. Apparent low bidders may be requested to supply samples of the equivalent bid items for evaluation. **When a request for a sample is made, it is expected to be fulfilled within 5 business days. Failure to provide information and/or samples will mean that item will not be considered and the next apparent acceptable low bid will be chosen.**

Bidders must indicate standard quantities per order unit of items being offered (e.g. 24 each per case) otherwise the quantities will be assumed to be the same as indicated by the description and stock number provided, and the successful bidder will be responsible for providing these quantities at the offered price.

Orders will be called in as needed. No quantities are guaranteed. Minimum Order Quantities will not be accepted. All Bid Submittals which reference “Minimum Order Quantities” will be rejected.

Bidders must indicate, for each item, their current price offered which will allow the store to evaluate the overall cost and assess the feasibility of continuing to carry that item in stock before the award is made. Items are carried in stock based on both customer demand and the price offered by the vendor. **If an item is discontinued during contract period, an acceptable substitute must be provided at original bid price.**

Quoted prices must remain fixed for the period of the contract and include all shipping, handling, hazardous fees, ice fees, insurance, and any other associated costs. Bids submitted that do not include these costs or have variable pricing will not be considered. Under no circumstances will a price increase be allowed on any item during the duration of the contract.

Quantities:

The quantities listed are estimates based on recent sales. Although no specific quantities can be guaranteed, it is expected that sales volume will continue to increase and purchases may exceed the estimates. In the event that a greater or lesser quantity is needed, the right is reserved by LSUHSC to increase or decrease the amount, at the unit price stated in the bid.

Delivery Times:

It is expected that orders will be filled and delivered within five (5) working days of receipt of the order by the vendor. It is expected that the successful vendor will maintain a sufficient inventory on hand to meet the needs of the research supply operation. **In cases where an item is backordered in excess of two (2) weeks, the vendor must offer an equivalent or superior substitute product at the original awarded price. Vendors who fail to provide merchandise within this time frame may be considered in breach of contract and as a result the purchase order may be canceled.**

Shipment Terms:

Shipments are to be on the basis of FOB domestic destination. Freight charges are to be included in the bid price. If rush overnight shipment is requested, the supplier will have the option of adding shipping charges on a "prepay-and-add" basis. Collect shipments cannot be accepted.

Invoicing:

Indicate payment terms and discounts available for rapid payment. Such discounts may be considered in the award process.

Termination:

The contract can be cancelled if the winning vendors fail to meet all requirements of the contract specifications, without any penalty. It is the responsibility of the vendor to be sure all vendor personnel associated with the contract are knowledgeable of the contract requirements. Should the vendor fail to deliver the equipment and services as specified, the vendor will be required to comply within 10 days of written notice from LSUHSC. Failure to comply will result in contract termination. Termination for Convenience: The State may terminate this Agreement at any time by giving thirty (30) days written notice to contractor of such termination or negotiating with the Contractor an effective date.
