STANDARD TERMS & CONDITIONS TO BIDDERS
FAX #337-475-5082

PROPOSALS: The proposal must be received by the Purchasing Department, McNeese State University, before the time set for receiving bids. Bids received after the time set will not be considered. Bidder shall assume full responsibility for timely delivery at location designated for receipt of bids. Prices must be clear and be written in ink or typewritten, and the ITB AND Terms & Conditions must be signed in ink. Be sure bid number and due date are clearly shown on outside of package or envelope. Please see return address on the face of the bid form.

STANDARDS OF QUALITY AND ANY ALTERNATE: Any product or service bid shall conform to all applicable Federal and State Laws and Regulations and the specifications contained in the solicitation. Unless otherwise specified in the solicitation, any manufacturer's name, trade name, brand name, or catalog number used in the specification is for the purpose of describing the standard of quality, performance, and characteristics desired and is not intended to limit or restrict competition. Bidder must specify the brand and model number of the product offered in his bid. Bids not specifying brand and model number shall be considered as offering the exact products specified in the solicitation.

When a Pre-Bid Conference is scheduled, no alternative will be considered unless the above conditions are complied with and the "Request for Approval of Alternate" form is completed and returned. This form will be attached when applicable. Only alternates which are approved and acknowledged by addendum following the Pre-Bid Conference will be considered for award at the bid opening. **DO NOT SUBMIT BIDS ON UNAPPROVED ALTERNATES.**

The burden of proof of the merit of the proposed substitute is upon the proposer. The Purchasing Director's decision of approval or rejection of a proposed substitute shall be final.

SAMPLES/DESCRIPTIVE LITERATURE: The envelope/package containing samples and/or descriptive literature submitted by mail for consideration at the Pre-Bid Conference must be labeled in accordance with the instructions given on the "Request for Approval of Alternate" form.

When requested, samples submitted will be returned at bidder's risk and expense provided they have not been made useless through tests.

PRICES: Unless otherwise specified by McNeese in the solicitation, bid prices must be complete, including transportation prepaid by bidder to destination and firm for acceptance for a minimum of 30 days. If accepted, prices must be firm for the contractual period. Bids other than F.O.B. destination may be rejected. Prices should be quoted in the unit (each, box, case, etc.) as specified in the solicitation.

BID OPENING: Bidders may attend the bid opening, but no information or opinions concerning the ultimate contract award will be given at the bid opening or during the evaluation process. Bids may be examined within 72 hours after bid opening. Information pertaining to completed files may be secured by visiting McNeese during normal working hours. Written bid tabulations will not be furnished.

AWARD OF BIDS: McNeese State University reserves the right to award items separately, grouped, or on an all-or-none basis, and to reject any or all bids and waive any informalities incident thereto.

DELIVERY FAILURE: If the vendor fails to make delivery within the time specified on bid documents or within a reasonable time if no delivery time is specified McNeese reserves the right to cancel the item and to purchase it elsewhere. Any increase in price and/or cost of handling will be charged to the vendor making the original unsatisfactory delivery. Consistent unsatisfactory deliveries will be considered just cause for deleting a vendor from bid lists.

TERMINATION OF THIS AGREEMENT FOR CAUSE/CONVENIENCE: McNeese may terminate this agreement for cause based upon the failure of Contractor to comply with the terms and/or conditions of the Agreement, or failure to fulfill its performance obligations pursuant to this agreement, provided that McNeese shall give the Contractor written notice specifying the Contractor's failure. If within thirty (30) days after receipt of such notice, the Contractor shall not have corrected such failure or, in the case of failure which cannot be corrected in thirty (30) days, begun in good faith to correct such failure and thereafter proceeded diligently to complete such correction, then McNeese may, at its option, place the Contractor in default and the Agreement shall terminate on the date specified in such notice.

The Contractor may exercise any rights available to it under Louisiana law to terminate for cause upon the failure of McNeese to comply with the terms and conditions of this agreement, provided the Contractor shall give McNeese written notice specifying McNeese's failure and a reasonable opportunity for McNeese to cure the defect.

McNeese may terminate the Contract at any time by giving thirty (30) days written notice to the Contractor of such termination or negotiating with the Contractor an effective date.

SOLICITATIONS FOR (MOST) GOODS, NOT SERVICES, INCLUDE THE LOUISIANA PRODUCT PREFERENCE AS STATED BELOW:
IN ACCORDANCE WITH LOUISIANA REVISED STATUTES 39:1604, A PREFERENCE MAY BE ALLOWED FOR PRODUCTS MANUFACTURED, PRODUCED, GROWN, OR ASSEMBLED IN LOUISIANA OF EQUAL QUALITY.

PREFERENCES SHALL NOT APPLY TO SERVICE CONTRACTS.

Do you claim this Preference? YES _____ NO _____

Specify Line Number(s): _____

Specify location within Louisiana where this product is manufactured, produced, grown or assembled: _____
NOTE: If more space is required, include on separate sheet.)

Do you have a Louisiana business workforce? YES _____ NO _____

If so, do you certify that at least fifty percent (50%) of your Louisiana business workforce is comprised of Louisiana residents? YES _____ NO _____

IN ACCORDANCE WITH L.R.S. 39:1594 (ACT 121), THE PERSON SIGNING THE BID MUST BE:

1. A current corporate officer, partnership member or other individual specifically authorized to submit a bid as reflected in the appropriate records on file with the Secretary of State; or
2. An individual authorized to bind the vendor as reflected by a corporate resolution, certificate or affidavit; or
3. Other documents indicating authority which are acceptable to the public entity.

By signing and returning this document (along with bid), you are certifying compliance with all Terms and Conditions set forth.

Product Specifications

Hierarchy Grow and Roll

Mobile Magnetic Glass Board

Model Number: 84425-XXXX, 84426-XXXX

OVERVIEW

The Hierarchy Grown and Roll Board offers up to twice the functional writing surface of a wall-mounted board with a sturdy, mobile, steel frame.

GLASS PANELS

Glass panels are made of 0.15" thick, tempered glass. Boards are available in gloss white, gloss black, low-iron white, red, orange, yellow, green, blue, navy and purple. Visionary glass boards are backed with 20 Ga steel to allow for the attachment of rare earth magnets.

FRAME

The platinum powder coated frame is made up of three crossbars, two uprights, and two legs. The two uprights are 1.88" deep and are made of 14 Ga steel. They are connected by two 1" square 16 Ga upper crossbars with two M6 x 12mm screws at each connection point. The lower crossbar has a .25" channel on each side made of 16 ga steel to hold the visionary boards. This lower crossbar is connected by one M6 x 12mm screw on each side and one M6 x 35mm screw which connects the crossbar and uprights to the foot as well. The feet are 1.78" x 1.125" x 23.25" 16 Ga steel covered by 12 Ga steel plates welded along their length. Attached to the upper crossbar is a 20 Ga steel channel that holds the glass to the frame. Foam adhesive is used on both sides of the frame to assist in holding the glass boards. The frame sits on four 60mm casters (two locking and two non-locking) with M10 x 15mm stems. Fully assembled, the frame stands 75.50" tall x 47.50" wide x 23.25" deep for the tallest option.

PHOEBY

Outdoor Soft Seating

MOORECO

CONSTRUCTION & FEATURES:

This truly unique line of modular soft seating is inspired by the remarkable adaptability of amphibians. Just as amphibians effortlessly move between aquatic and terrestrial environments, Phoeby effortlessly blurs the boundaries between indoor comfort and outdoor freedom, revolutionizing the way users connect with nature. Ergonomically curved silhouettes promote inclusiveness, while straight sections convey a sense of structure and order. The balanced aesthetic helps users relax and focus, enhancing the overall ambiance of any outdoor learning or working space.

- Entirely weather-resistant, Phoeby's frame is constructed from outdoor-rated $\frac{3}{4}$ " plywood, contains full moisture barrier protection, Matrex Sytex™ III synthetic webbing suspension, and aluminum legs.
- All hardware, fasteners, staples, ganging, and tie down options are made of corrosion-resistant stainless steel. Dual-density foam is comfortable, supportive, and antimicrobial.
- Phoeby Outdoor is available upholstered with durable outdoor-rated Spradling Silvertex and Sunfield fabrics. The continuous filament bonded polyester fabrics are water- and stain-repellant, are rated at 25,000+ double rubs for abrasion resistance, are mildew-resistant, and 1500 hour UV-resistant.
- Phoeby passes the UFAC-Fabric and Class-1 flammability requirements.
- SCS Indoor Advantage Gold Certified.

Designed to be suitable for use in exterior spaces and environments, our curated collection of outdoor-friendly fabrics will provide you with durable and colorful options that are sun, wind, and water resistant.

Ottoman – Medium
PBA8N1L

18"H × 22"W × 31"D (7)

Ottoman – Large
PBA9N1L

18"H × 45"W × 31"D (6)

Outdoor-Rated Fabrics:

Silvertex

Sunfield

Indoor-Rated Fabrics:

For indoor fabric options, browse more than 250 standard options through our graded-in fabric program (COM available by approval).

Phoeby Outdoor Construction:

Entirely weather-resistant, Phoeby's frame is constructed from outdoor-rated $\frac{3}{4}$ " plywood, contains full moisture barrier protection, Matrex Sytex™ III synthetic webbing suspension, and aluminum legs. All hardware, fasteners, staples, ganging, and tie down options are made of corrosion-resistant stainless steel. Dual-density foam is comfortable, supportive, and antimicrobial.

Phoeby Outdoor is available upholstered with durable outdoor-rated Spradling Silvertex and Sunfield fabrics. The continuous filament bonded polyester fabrics are water- and stain-repellent, are rated at 25,000+ double rubs for abrasion resistance, are mildew-resistant, and are 1500 hour UV-resistant.

Phoeby passes the UFAC-Fabric, and Class-1 flammability requirements.

Recycling:

- Scrap Styrofoam and polyurethane foam are processed for use as fill materials in our bean bag products.
- Excess polyurethane foam is baled and sold to be remanufactured into other foam products such as carpet padding and floor mats.
- Scrap cardboard from packaging materials are baled and sold for reprocessing into liner board for packaging materials.
- MooreCo TN donates excess fabric and wood materials to local schools and daycare centers for use in arts and crafts.
- MooreCo TN collects all paper, plastic, and aluminum waste for recycling through local services.

Materials:

- MooreCo TN uses solvent-free, GREENGUARD Gold Certified, Simalfa® water-based adhesives to bond our foam to the wood frames.
- All plywood used is E1 / EPA TSCA Title VI / CARB Phase 2 compliant.
- All hardwoods used are provided from reforested sources.
- All upholstery foams are highest quality, meet TB 117-2013 standards, and contain no added fire-retardant materials.
- All packaging materials contain at least 25% recycled content.

MooreCo's Sustainable Practices:

- At MooreCo, we take pride in our sustainable approach to manufacturing, material selection, and waste management. From recycling to community support, we ensure that 99% of our materials are either recycled or repurposed.
