Addendum 01

Supplier Inquiry and Response

Q1. We don't offer anything as small as the MudMaster. Before I start quoting I was reaching out to see if a larger self propelled sprayer would work. Our small sprayer is a Case IH Patriot 2250. It has a 90ft boom system, 660 gal solution tank. 175hp. I was just making sure this machine would be bigger than you need.

A1. We can not pre-approve equivalents. In order to be considered for award, bids must meet the written specifications.
