NET CONTENTS: 50 LBS.

LAUNDRY BLEACH

This product is a dry laundry bleach containing a chlorine releasing agent. Should be used only on white bleachable fabrics. Do not use on silks or woolen goods.

DIRECTIONS: Normal use is about 1/4 cup per 100 pounds of dry laundry.

CAUTION: if ingested, dilute with milk or water. **DO NOT** induce vomiting. If splashed on skin or in eyes, immediately flush with cold water. Contact a doctor or poison center for additional advice or treatment.

Detergent

Back Contents

This product is a low sudsing, non-iconic, biodegradable detergent which contains brighteners for use in all types of automatic washing machines. It is ideally suited for institutional laundry situations and can be used in all water type areas. Effective at any temperature but best performance is in hot water.

DIRECTIONS: Use 1/2 to 1 cup for 25 pounds of dry wash.

CAUTION: if ingested, dilute with milk or water. **DO NOT** induce vomiting. If splashed on skin or in eyes, immediately flush with cold water. Contact a doctor or poison center for additional advice or treatment.
