4 CY Hopper Aggregate/Salt Spreader

Truck Mounted Aggregate/Salt Spreader

Features & Options:

- 4.0 Cubic yard capacity
- Works with dump trucks and flat beds with a minimum 17,500 lb. GVW
- Double walled construction, polyethylene hopper
- 12v DC-powered electric drive
- Independent auger and spinner motors
- Steel 5 ½ inch variable pitch full length auger operating in a stainless steel trough
- Vibrator force of 400 lb.
- Adjustable height chute for various truck chassis styles
- Swing away chute for cleaning and bulk unloading
- 18 inch polymer spinner
- Works with bulk salt or salt/sand mix
- High-current variable speed controller with in-cab capabilities
- Vibrator system, top screen, tie downs, and lid

Make/Model: SaltDogg Pro4000 or equal
