Addendum # 1 to Bid 002893

Change the above referenced Invitation to Bid to agree with this addendum.

This addendum must be signed and included with bid submission.

Signature : _____

Update to the Equipment List:

For both systems, replace this part:

TSS-770-X-S	Crestron	7" scheduling panel	1
-------------	----------	---------------------	---

With this part:

TSS-1070-X-S	Crestron	10" scheduling panel (color TBD)	1
--------------	----------	----------------------------------	---

Q. What is the Global Cache IP2SL-P going to be controlling? The Core 8 Flex or the Display?

A. The Global Cache device will control the display only.

Q. Will there be a junction box behind the credenza and behind the display as well as a pathway for routing cables? If so, what size conduit ?

A. Yes, there will be a junction box behind the credenza and display. There will be 1 ½" conduit path

Q. Will there be a pathway behind the credenza to the ceiling for routing cables? If so, what size conduit?

A. Yes there will be a 1 ½" conduit running behind the credenza to the ceiling. It will be accessible directly above the ceiling tile.

Q. The bid calls for Qty. 12 SW0XIOC-EM. Is this the correct quantity for both rooms? How many overall licenses does LSUHSC in order to determine tied quantity pricing?

A. For each room, we need quantity 1 premium license for 1 year for 1 device.

Q. Will the occupancy sensor for each room be on the LSUHSC LAN?

A. Yes

Q. Will LSUHSC provide LAN drops to the ceiling mics?

A. Yes
