Addendum 02

Supplier Inquiry and Response

Q1. I recently visited your facility. In the recent addendum you mentioned that the battery installation must be completed in one day. What constitutes a day? 8hrs, 10hrs, 12hrs, 16hrs.....? What time can the install begin and what time does it need to be completed?

A1. Work can begin at 6:00am and continue until the job is completed so LSU can bring the UPS online. After award, the supplier will need to tell LSU their estimated work hours for completion so LSU building managers can be notified.

Q2. Can the side door of the Frey building be used to move the batteries in and out of the building?

A2. No. All batteries must come in and out of the building on the back loading dock.
