REQUESTS FOR INFORMATION AND RESPONSES

As of May 28, 2025 the following request for information (RFI) was received and are being addressed however:

- 1. Cross Suit Exclusion – This Exclusion eliminates coverage for lawsuits brought by one insured party against another insured party under the same policy. Insurance underwriters are NOT able to remove this exclusion to satisfy the below requirement. This is below requirement is also NOT industry standard and should be eliminated.**

H. The insurance to be provided by Contractor shall not include any provision, exclusion or endorsement precluding coverage for claims between insured's and/or additional insured's.

- The Parish Attorney's Office (PAO's) opinion is that we do not need to change or delete the clause. We are unaware of any legal preclusion preventing us from removing this exclusion. Additionally, we have removed this exclusion for years without any problems; therefore, it is not against an industry standard.*
