

**Agency Term Contract
CPRA Airboat Charter Services
RFx # 3000024826**

Attachment B - Specifications

Scope of Services:

This is to establish an agency term contract for Airboat Charter Services & Qualified Operator(s) for all divisions of Coastal Protection and Restoration Authority (CPRA) for a period of 1 year beginning July 1, 2025 and ending June 30, 2026. Services are to be provided on as “as needed basis.”

Successful bidder is responsible for: working knowledge of the Louisiana coastline from the Sabine River East to the Rigolets, including launch locations and fueling stations. Boats must hold a minimum of three CPRA personnel with a payload capacity of minimum 900 lbs. At times, two boats will be required. Boats are to have adequate fuel capacity for 10 hour day’s usage. Boats are to be provided after 2 days advance notice. Cost of fuel, oil, maintenance, operator, etc., is to be included in the price quoted, and no additional charges will be paid by CPRA.

CPRA reserves the right to cancel any reservations due to unforeseen weather conditions.

Boat sizes, quantities, and availability will be coordinated with the successful bidder on a project-by-project basis.

All activities are to be coordinated with the project coordinator: Sharissa Felder,
Sharissa.Felder@la.gov

Airboats powered by automobile engines are acceptable.

Overnight Stay

In the event that an overnight stay is required: flat rate per diem charge for overnight stay. Per diem rate shall not exceed state travel rates as allowed in PPM49 travel regulations. PPM49 can be viewed at the website: <https://www.doa.la.gov/doa/ost/>

Freight Transportation:

Freight transportation for airboats will be based on a per-mile for the distance to tow airboat(s) to and from the vendor’s location to the site.
