## APPENDIX C-2

### **FEDERAL PROVISIONS, REQUIRED CLAUSES, AND CERTIFICATIONS**

The following federal clauses and provisions are incorporated by reference in any contract resulting from this procurement issued by JPTA. Some clauses apply to all contracts, while some only apply to certain activities or dollar thresholds. The application of each clause is included in the following summary of applicable clauses and certifications.

These procurement provisions and required contract clauses are in addition to other General Terms and Conditions, Special Terms and Conditions, Bidding or Proposal Procedures, and Bid or Proposal Forms that may also be incorporated by reference in any contract. Some provisions and clauses require the Bidder or Proposer to execute and submit certain required certifications with the bid or proposal. Failure to execute and submit required certifications with the bid or proposal documents may render a bid or proposal non-responsive.

#### **1. No Federal Government Obligation to Third Parties**

*(Applies to all contracts)*

JPTA and the Contractor acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this contract and shall not be subject to any obligations or liabilities to JPTA, the Contractor, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying contract.

The Contractor agrees to include the above clause in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

#### **2. Program Fraud and False or Fraudulent Statements and Related Acts**

31 U.S.C. 3801-3812 et seq., 49 CFR Part 31, 18 U.S.C. 1001, 49 U.S.C. 5307, 49 USC § 5323(I)

*(Applies to all contracts)*

The Contractor acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. § § 3801 et seq. and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. Part 31, apply to its actions pertaining to this Project. Upon execution of the underlying contract, the Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying contract or the FTA assisted project for which this contract work is being performed. In addition to other penalties that may be applicable, the Contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the Contractor to the extent the Federal Government deems appropriate.

The Contractor also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. § 5307, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307(n)(1) on the Contractor, to the extent the Federal Government deems appropriate.

The Contractor agrees to include the above two clauses in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

#### **3. Access to Records and Reports**

*(Applies to all contracts)*

The Contractor will retain and will require its subcontractors of all tiers to retain, complete and readily accessible records related in whole or in part to the contract, including, but not limited to: data, documents, reports, statistics, sub-agreements, leases, subcontracts, arrangements, other third-party agreements of any type, and supporting materials related to those records. The Contractor agrees to provide sufficient access to FTA and its contractors to inspect and audit records and information related to the performance of this contract as reasonably may be required. The Contractor also agrees to permit FTA and its contractors' access to the sites of performance under this contract as reasonably may be required.

The Contractor agrees to comply with the record retention requirements in accordance with 2 CFR 200.333. The Contractor shall maintain all books, records, accounts, and reports required under this Contract for a period of not less than three (3) years after the date of termination or expiration of this Contract, except in the event of litigation or settlement of claims arising from the performance of this Contract, in which case records shall be maintained until the disposition of all such litigation, appeals, claims, or exceptions related thereto.

#### **4. Changes to Federal Requirements**

*(Applies to all contracts)*

The Contractor shall at all times comply with all applicable FTA regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the Master Agreement between JPTA and FTA, as they may be amended or promulgated from time to time during the term of this contract. The contractor's failure to so comply shall constitute a material breach of this contract.

The Contractor agrees to include the above clause in each third-party subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

#### **5. Civil Rights and Equal Opportunity**

*(Applies to all contracts)*

JPTA is an Equal Opportunity Employer (EEO). As such, it agrees to comply with all applicable Federal civil rights laws and implementing regulations. Apart from inconsistent requirements imposed by Federal laws or regulations, JPTA agrees to comply with the requirements of 49 U.S.C. § 5323(h) (3) by not using any Federal assistance awarded by FTA to support procurements using exclusionary or discriminatory specifications.

Upon entering into a contract with JPTA, the Contractor shall at all times comply with the following requirements and shall include these requirements in each subcontract entered into as part thereof:

- a. **Nondiscrimination.** In accordance with Federal transit law at 49 U.S.C. § 5332, the Contractor agrees that it will not discriminate against any employee or applicant for employment because of race, color, religion, national origin, sex, disability, or age. In addition, the Contractor agrees to comply with applicable Federal implementing regulations and other implementing requirements FTA may issue.
- b. **Race, Color, Religion, National Origin, Sex.** In accordance with Title VII of the Civil Rights Act, as amended, 42 U.S.C. § 2000e *et seq.*, and Federal transit laws at 49 U.S.C. § 5332, the Contractor agrees to comply with all applicable equal employment opportunity requirements of U.S. Department of Labor (U.S. DOL) regulations, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," 41 C.F.R. chapter 60, and Executive Order No. 11246, "Equal Employment Opportunity in Federal Employment," September 24, 1965, 42 U.S.C. § 2000e note, as amended by any later Executive Order that amends or supersedes it, referenced in 42 U.S.C. § 2000e note. The Contractor agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, national origin, or sex (including sexual orientation and gender identity). Such action shall include, but not be limited to, the following: employment, promotion, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, the Contractor agrees to comply.

with any implementing requirements FTA may issue.

- c. **Age.** In accordance with the Age Discrimination in Employment Act, 29 U.S.C. §§ 621-634, U.S. Equal Employment Opportunity Commission (U.S. EEOC) regulations, “Age Discrimination in Employment Act,” 29 C.F.R. part 1625, the Age Discrimination Act of 1975, as amended, 42 U.S.C. § 6101 *et seq.*, U.S. Health and Human Services regulations, “Nondiscrimination on the Basis of Age in Programs or Activities Receiving Federal Financial Assistance,” 45 C.F.R. part 90, and Federal transit law at 49 U.S.C. § 5332, the Contractor agrees to refrain from discrimination against present and prospective employees for reason of age. In addition, the Contractor agrees to comply with any implementing requirements FTA may issue.
- d. **Disabilities.** In accordance with section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794, the Americans with Disabilities Act of 1990, as amended, 42 U.S.C. § 12101 *et seq.*, the Architectural Barriers Act of 1968, as amended, 42 U.S.C. § 4151 *et seq.*, and Federal transit law at 49 U.S.C. § 5332, the Contractor agrees that it will not discriminate against individuals on the basis of disability. In addition, the Contractor agrees to comply with any implementing requirements FTA may issue.

## **6. Disadvantaged Business Enterprise (DBE)**

49 CFR Part 26

*(Applies to all contracts)*

- a. This contract is subject to the requirements of Title 49, Code of Federal Regulations, Part 26, *Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs*. It is the policy of JPTA to practice nondiscrimination based on race, color, sex, or national origin in the award and administration of all DOT-assisted contracts. JPTA’s DBE Program, as required by 49 CFR Part 26 and as approved by DOT, is incorporated by reference in this agreement.
- b. The Contractor, sub-recipient, or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The Contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the Contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as JPTA deems appropriate, which may include, but not be limited to:
  - 1. Withholding monthly progress payments;
  - 2. Assessing sanctions;
  - 3. Liquidated damages; and/or
  - 4. Disqualifying the contractor from future bidding as non-responsible under 49 CFR 26.13(b).
- c. The Contractor is required to pay its subcontractors performing work related to this contract for satisfactory performance of that work within ten (10) days after the Contractor’s receipt of payment for that work from JPTA. In addition, the Contractor is required to return any retainage payments to those subcontractors within 30 days after the subcontractor’s work related to this contract is satisfactorily completed and accepted. Any delay or postponement of payment from the above-referenced time frame may occur only for good cause following written approval by JPTA. This clause applies to both DBE and non-DBE subcontracts.
- d. The Contractor must promptly notify JPTA’s DBE Liaison Officer whenever a DBE subcontractor performing work related to this contract is terminated or fails to complete its work and must make good faith efforts to engage another DBE subcontractor to perform at least the same amount of work. The Contractor may not terminate any DBE subcontractor and perform that work through its own forces or those of an affiliate without prior written consent of JPTA.

## **7. Incorporation of Federal Transit Administration (FTA) Terms**

FTA Circular 4220.1F

*(Applies to all contracts)*

All contractual provisions required by DOT, as set forth in FTA Circular 4220.1F, as amended, are hereby incorporated by reference. The provisions in the Circular include, in part, certain Standard Terms and Conditions required by DOT, whether or not expressly set forth in the contract provisions. Anything to the contrary herein notwithstanding, all FTA-mandated terms shall be deemed to control in the event of a conflict with other provisions.

The Contractor shall not perform any act, fail to perform any act, or refuse to comply with any JPTA requests, which would cause JPTA to be in violation of the FTA terms and conditions.

## **8. Safe Operation of Motor Vehicles**

23 U.S.C. Part 402, Executive Order 13043, Executive Order 13513, U.S. DOT Order 3902.10

*(Applies to all contracts)*

The Safe Operation of Motor Vehicles provisions apply to all federally funded third party contracts. In compliance with Federal Executive Order No. 13043, "Increasing Seat Belt Use in the United States," April 16, 1997, 23 U.S.C. Section 402 note, FTA encourages each third-party contractor to adopt and promote on-the-job seat belt use policies and programs for its employees and other personnel that operate company owned, rented, or personally operated vehicles, and to include this provision in each third-party subcontract involving the project. Additionally, recipients are required by FTA to include a Distracted Driving clause that addresses distracted driving, including text messaging in each of its third-party agreements supported with Federal assistance.

Seat Belt Use - The Contractor is encouraged to adopt and promote on-the-job seat belt use policies and programs for its employees and other personnel that operate company-owned vehicles, company- A-60 rented vehicles, or personally operated vehicles. The terms "company-owned" and "company-leased" refer to vehicles owned or leased either by the Contractor or JPTA.

Distracted Driving - The Contractor agrees to adopt and enforce workplace safety policies to decrease crashes caused by distracted drivers, including policies to ban text messaging while using an electronic device supplied by an employer, and driving a vehicle the driver owns or rents, a vehicle Contractor owns, leases, or rents, or a privately-owned vehicle when on official business in connection with the work performed under this agreement.

## **9. Prohibition on Certain Telecommunications and Video Surveillance Services and Equipment**

2 CFR Part 200.216

*(Applies to all contracts)*

a. The prohibition on certain telecommunications and video surveillance services or equipment applies to all federally funded third-party contracts. JPTA is prohibited from using federal funds to:

1. Procure or obtain;
2. Extend or renew a contract to procure or obtain; or
3. Enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

b. As described in Public Law 115-232, section 889, "Covered telecommunications equipment or services" is:

- a. Telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities)
- b. For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities).
- c. Telecommunications or video surveillance services provided by such entities or using such equipment.

- d. Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.
- c. The Contractor or subcontractor shall not provide covered telecommunications equipment or services in the performance of this contract.

## **10. Resolution of Disputes, Breaches or Other Litigation**

49 CFR Part 18, FTA Circular 4220.1F

*(Applies to all contracts over the Simplified Acquisition Threshold, currently \$250,000)*

**BREACH OF CONTRACT:** The successful bidder shall be deemed in breach of contract if the successful bidder: fails to comply with any terms of the contract; fails to cure such noncompliance within five (5) calendar days from the date of written notice from JPTA or such other timeframe, greater than five (5) calendar days, specified in the notice; fails to submit a written response to the notification from JPTA within five (5) calendar days after the date of the notice. All notices under the contract shall be submitted by email and followed up with a hard copy by certified mail, return receipt request, to the person specified in the notice.

The successful bidder shall not be in breach of the contract as long as its default was due to causes beyond the reasonable control of and occurred without any fault or negligence on the part of both the successful bidder and its subcontractors. Such causes may include, but not be limited to: acts of God or of the public enemy, acts of JPTA in its sovereign capacity, fires, floods, epidemics, strikes, freight embargoes, and unusually severe catastrophic weather (e.g., hurricane).

### **DISPUTES.**

Claims. Written notice of the Contractor to file a claim must be given at the time of the occurrence or beginning of the work upon which the claim is based. Such claims, whether for money or other relief, shall be submitted in writing to the Director or designee no later than sixty (60) days after final payment. The Executive Director or designee shall give written notification of the final decision on such claim to the Contractor within thirty (30) days of the date the claim was received. The Contractor may not institute legal action before receiving the final written decision unless the Director or designee fails to render such decision within the specified time. Pendency of claims shall not delay payment of amounts agreed due in the final payment.

Claims Relief. Under certain circumstances beyond the control of the Contractor, such as acts of God, sabotage, and fire or explosion not caused by negligence of the Contractor or its agent, JPTA's Director or designee may extend the time limit for performance required by the Contract. Any such extension must be issued in writing and signed by the Director and ratified by Council.

## **11. Termination**

2 CFR §200.339, 2 CFR part 200 Appendix II (B)

*(Applies to all contracts over \$10,000 total value if 49 CFR Part 18 applies)*

Subject to the provisions below, the Authority upon thirty (30) days advance written notice to the other party, may terminate the contract. Upon receipt of a notice of termination, the Contractor shall cease all work underway on behalf of the Authority unless advised by the Authority to do otherwise. In the event of termination, Contractor shall be compensated only for the services as set forth in the contract provided to the satisfaction of the Authority and expenses incurred as of the date of termination. Any contract cancellation notice shall not relieve the Contractor of the obligation to deliver and/or perform on all outstanding orders issued prior to the effective date of cancellation.

- a. Termination for Convenience: In the event that the contract is terminated upon request and for the convenience of the Authority, without the required thirty (30) days advance notice, then the Authority shall be responsible for payment of services up to the termination date.

- b. Termination for Cause: Termination by the Authority for cause, default, or negligence on the part of the Contractor shall be excluded from the foregoing provision and termination costs, if any shall not apply. However, pursuant to the Default paragraph of these General Conditions, the Authority may hold the Contractor responsible for any resulting additional purchase and administrative costs. Any payment due to the Contractor at the time of termination may be adjusted to the extent of any additional costs occasioned to the Authority by reason of the Contractor's default. The thirty (30) days advance notice requirement is waived in the event of Termination for Cause.
- c. Termination Due to Unavailability of Funds in Succeeding Fiscal Years: When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal year, the contract shall be canceled.

## **12. Special EEO Provisions for Construction Contracts**
