Title: Barber Services- DVA

As part of the evaluation process, the barber who will actually perform the services if selected, may be asked to cut several textures of hair to assure they can provide acceptable service to residents of the facility. However due to budget constraints, the facility shall not be liable for any payments associated with haircuts or travel reimbursements for this evaluation process.

Barber will not work during any State declared holiday. If a holiday should fall on scheduled work day, barber is required to reschedule workday in agreement with facility.

Travel to and from the facility is included with pricing.

The barber is expected to arrive to the facility and be prepared to begin work in a timely manner and in accordance with the schedule agreed to by the Contractor and the facility. Excessive tardiness will not be acceptable, and may be cause for contract cancellation. The Contractor shall call the administrator or other administrative staff at the facility as soon as possible, but always before they are scheduled to arrive if they will be arriving late. Late arrivals in excess of 15 minutes occurring more than three times per month will be considered excessive tardiness. Additionally, the Contractor shall call the administrator or other administrative staff at the facility at least 24 hours in advance of any cancellation. More than three cancellations in a two month period may be cause for contract cancellation. The Contractor is the sole point of contact and is responsible for the proper execution of the contract whether or not he/she performs the services.
