Terms and Conditions:

This solicitation contains all terms and conditions with respect to the commodities herein. Any vendor contracts, forms, terms, or other materials submitted with bid may cause bid to be rejected.

Vendor's Forms:

The purchase order is the only binding document to be issued against the contract. Signing of vendor's forms is not allowed.

Acceptance:

Unless otherwise specified, bids on the contract will be assumed to be firm for acceptance for a minimum of 60 days. If accepted, prices must be firm for the specified contract period.

Prices:

Prices shall be complete, including transportation/freight charges prepaid by bidder to the destination, inside delivery, unpacking, assembly of all components and removal of all associated debris from premises. Prices should be quoted in the unit (each, box, case, hour, flat, mile, etc.) as specified in the solicitation.

Payment:

Payment will be made on the basis of unit price as listed in the contract; such price and payment will constitute full compensation for furnishing and delivering the contract commodities. In no case will the State Agency refuse to make partial payments to the Contractor although all items have not been delivered. This payment in no way relieves the Contractor of his responsibility to effect shipment of the balance of the order. Payment will be to the vendor and address as shown on order.

Late Payment:

Interest due by the State Agency for late payments shall be in accordance with La. R.S. 39:1695 at the rates established in La. R.S. 13:4202.

Invoices:

Invoices will be submitted by the Contractor to the Using Agency and the invoice shall refer to the delivery ticket number, delivery date, purchase order number, quantity, unit price, and delivery point. A separate invoice for each order delivered and accepted shall be submitted by the Contractor in duplicate directly to the accounting department of the Using Agency. Invoices shall show the amount of any cash discount and shall be submitted on the Contractor's own invoice form.

Contractual Period:

The State of Louisiana intends to award all items for an initial period, not to exceed 12 months. Delays in awarding, beyond the anticipated starting date, may result in a change in the contract period. If the situation occurs, an award may be made for less than 12 months.

Contract Renewal:

At the option of the State of Louisiana and acceptance by the Contractor, the contract may be extended for two additional 12 month periods at the same prices, terms and conditions. Total contract time may not exceed 36 months.

Quantities:

This is an open-ended requirements contract. Quantities shown are based on the previous contract usage or estimates. Where usage is not available, a quantity of one indicates a lack of history on

the item. The successful bidder must supply at bid prices actual requirements as ordered whether the total of such requirements is more or less than the quantities shown.

Orders:

DOTD will issue contract purchase orders for the services required, as and when needed.

Electronic Vendor Payment Solution:

In an effort to increase efficiencies and effectiveness as well as be strategic in utilizing technology and resources for the State and Contractor, the State intends to make all payments to Contractors electronically. The LaCarte Procurement Card will be used for purchases of \$5,000 and under, and where feasible, over \$5,000. Contractors will have a choice of receiving electronic payment for all other payments by selecting the Electronic Funds Transfer (EFT). If you receive an award and do not currently accept the LaCarte card or have not already enrolled in EFT, you will be asked to comply with this request by choosing either the LaCarte Procurement Card and/or EFT. You may indicate your acceptance below.

The **LaCarte** Procurement Card uses a Visa card platform. Contractors receive payment from State Agencies using the card in the same manner as other Visa card purchases. Contractors cannot process payment transactions through the credit card clearinghouse until the purchased products have been shipped or received or the services performed.

EFT payments are sent from the State's bank directly to the payee's bank each weekday. The only requirement is that you have an active checking or savings account at a financial institution that can accept Automated Clearing House (ACH) credit files and remittance information electronically. Additional information and an enrollment form is available by contacting the Office of Statewide Reporting & Accounting Policy at DOA-OSRAP-EFT@la.gov.

To facilitate this payment process, you will need to complete and return the EFT enrollment form.

If an award is made to your company, please check which option you will accept or indicate if you are already enrolled.

In addition, the Contractor is required to notify the Agency of policy cancellations or reductions in limits.
- b. The acceptance of the completed work, payment, failure of the Agency to require proof of compliance, or the Agency's acceptance of a non-compliant Certificate of Insurance shall not release the Contractor from the obligations of the insurance requirements or indemnification agreement.
- c. The insurance companies issuing the policies shall have no recourse against the Agency for payment of premiums or for assessments under any form of the policies.
- d. Any failure of the Contractor to comply with reporting provisions of the policy shall not affect coverage provided to the Agency, its officers, agents, employees and volunteers.

D. Acceptability of Insurers

E. Verification of Coverage

1. The Contractor shall furnish the Agency with Certificates of Insurance reflecting proof of required coverage. The Certificates for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. F. Subcontractors

The Contractor shall include all subcontractors as insureds under its policies OR shall be responsible for verifying and maintaining the Certificates provided by each subcontractor. Subcontractors shall be subject to all of the requirements stated herein. The Agency reserves the right to request copies of subcontractor's Certificates at any time.

The State of Louisiana may, but is not required to, consult with the Contractor in the defense of claims, but this shall not affect the Contractor's responsibility for the handling of and expenses for all claims.

The usage reports shall be submitted utilizing this format or an equivalent format that has been pre-approved by the Office of State Procurement.

Termination for Cause:

The State may terminate the contract for cause based upon the failure of the Contractor to comply with the terms and/or conditions of the contract; provided that the State shall give the Contractor written notice specifying the Contractor's failure. If within 15 days after receipt of such notice, the Contractor shall not have either corrected such failure and thereafter proceeded diligently to complete such correction, then the State, may at its option, place the Contractor in default and the contract shall terminate on the date specified in such notice. Termination for Convenience:

The State may terminate any contract entered into as a result of this bid at any time by giving 30 days written notice to the Contractor. The Contractor shall be entitled to payment for deliverables in progress, to the extent work has been performed satisfactorily.

Termination for Non-Appropriations of Funds:

The continuation of the contract is contingent upon the appropriation of funds to fulfill the requirements of the contract by the legislature. If the legislature fails to appropriate sufficient monies to provide for the continuation of a contract or if such appropriation is reduced by the veto of the Governor or by any means provided in the Appropriations Act or Title 39 of the Louisiana Revised Statutes of 1950 to prevent the total appropriations for the year from exceeding revenues for that year or for any other lawful purpose and the effect of such reduction is to provide insufficient monies for the continuation of the contract, the contract shall terminate on the date of the beginning of the first fiscal year for which funds are not appropriated.
