PARISH PRESIDENT

**August 27, 2025**

Please find the following addendum to the bid mentioned below.

**Addendum No.: 1**

**Bid#: 25-27-2**

**Project Name:** Tammany Trace Bridge #25

**Bid Due Date:** Thursday, September 4, 2025

### QUESTIONS & ANSWERS:

---

Question 1. The project special provisions give information related to the cast-in-place concrete deck, permanent metal decking (PMD), rebar, expansion joints, foundations and anchor bolts. I would like to confirm that this bid is only for the cost associated with the manufacturing and shipping of the steel structure and should not include any cost for the previously mentioned items identified in the special provisions.

**Answer 1. The cost is only associated with the manufacturing and shipping of the steel structure.**

Question 2. Please accept this package for review and consideration of Pioneer Bridges placement onto the approved vendors list for prefabricated steel truss bridges.

**Answer 2. Pioneer Bridges is approved for bidding. It is approved in name only, and approval does not waive any requirements of the plans and specifications.**
