Addendum #1

IFB 50018-260010

Accidental Domestic Student Insurance

The following clarifications are provided in response to vendor questions regarding the Student Accident Insurance Plan:

1. Eligibility / Blanket Coverage

- Question: The RFP references domestic students and their ability to enroll or waive coverage. The student accident plan is established for all students, domestic and international, and is not optional. Is it the intent of the University to make this plan available solely for those who want to elect the plan, or to carry the blanket plan as in years past?
- **Response:** The University's intent is to make the plan a **blanket plan**, and it will only be **required for domestic students**.

2. Athletic Accident Coverage

- Question: Previous student accident plans at Grambling State, including the most recent, did not provide additional coverage for athletics. Do you wish to add athletic accident coverage?
- **Response: No.** Athletic accident coverage is not required.

3. Annual vs. Term Plan

- Question: Student accident plans are typically written as a blanket plan, based on average annual enrollment. Will Grambling State clarify that this plan should be written as an annual plan, and not by term?
- **Response: Yes.** The plan should be written as an **annual plan**.

All other terms and conditions of the IFB remain unchanged.
