## 2.6 Confidential Information, Trade Secrets, and Proprietary Information

The designation of certain information as trade secrets and/or privileged or confidential proprietary information shall only apply to the technical portion of the Proposal. The Financial Proposal will not be considered confidential under any circumstance. Any Proposal copyrighted or marked as confidential or proprietary in its entirety may be rejected without further consideration or recourse.

For the purposes of this Procurement, the provisions of the Louisiana Public Records Act (La. R.S. 44.1-44) will be in effect. Pursuant to this Act, all proceedings, records, contracts, and other public documents relating to this Procurement shall be open to public inspection. Respondents are reminded that while trade secrets and other proprietary information they submit in conjunction with this Procurement may not be subject to public disclosure, protections must be claimed by the Respondent at the time of submission of its Technical Proposal. Respondents should refer to the Louisiana Public Records Act for further clarification.

The Respondent must clearly designate the part of the Proposal that contains a trade secret and/or privileged or confidential proprietary information as “confidential” in order to claim protection, if any, from disclosure. The Respondent shall mark the cover of the Proposal, specifying the specific section(s) of the Proposal sought to be restricted, with the following:

*“The data contained in pages \_\_\_\_ of the Proposal have been submitted in confidence and contain trade secrets and/or privileged or confidential information and such data shall only be disclosed for evaluation purposes, provided that if a contract is awarded to this Respondent as a result of or in connection with the submission of this Proposal, the State of Louisiana shall have the right to use or disclose the data therein to the extent provided in the contract. This restriction does not limit the State of Louisiana’s right to use or disclose data obtained from any source, including the Respondent, without restrictions.”*

Further, to protect such data, each page containing such data shall be specifically identified and marked “CONFIDENTIAL”.

**If the Respondent does not submit the redacted copy, it will be assumed that any claim to keep information confidential is waived.**

Respondents must be prepared to defend the reasons why the material should be held confidential. If a competing Respondent or other person seeks review or copies of another Respondent's confidential data, the University will notify the owner of the asserted data of the request. If the owner of the asserted data does not want the information disclosed, it must agree to indemnify the University and hold the University harmless against all actions or court proceedings that may ensue (including attorney's fees), which seek to order the University to disclose the information. If the owner of the asserted data refuses to indemnify and hold the University harmless, the University may disclose the information.

Additionally, any Proposal that fails to follow this section and/or La. R.S. 44:3.2. (D)(1) Shall have failed to properly assert the designation of trade secrets and/or privileged or confidential proprietary information and the information may be considered public records.

## **2.7 Proposal Clarifications Prior to Proposal Due Date**

The University shall not and cannot permit an open-ended inquiry period, as this creates an unwarranted delay in the Procurement cycle and operations of the University. The University reasonably expects and requires responsible and interested Respondents to conduct their in-depth Proposal review and submit inquiries in a timely manner.

An inquiry period is hereby firmly set for all interested Respondents to perform a detailed review of the Proposal documents and to submit any written inquiries relative thereto. Without exception, all inquiries **MUST** be submitted in writing by an authorized representative of the Respondent, clearly cross-referenced to the relevant RFP section (even if an answer has already been given to an oral question during the Pre-Proposal conference) to the RFP Coordinator. All inquiries must be received by the time specified on the Inquiry Deadline date set forth in the Schedule of Events of this RFP. Only those inquiries received by the established deadline shall be considered by the University. Inquiries received after the established deadline are not be entertained.

An addendum will be issued and posted at the Office of State Purchasing's LaPAC website, to address all inquiries within the specified timeframe and any other changes or clarifications to the solicitation. ### **2.7.2 Blackout Period**

The Blackout Period is a specified period of time during a competitive sealed Procurement process in which any Respondent is prohibited from communicating with any University employee or Supplier of the University involved in any step in the Procurement process; including, but not limited to, project management, design, development, implementation, Procurement management, development of specifications, and evaluation of Proposals for a particular Procurement. All solicitations for competitive sealed Procurements identify a designated RFP Coordinator. The University reserves the right to continue such negotiations with the third and then subsequent highest scored Respondent if negotiations stall with the previously Supplier. If no Proposal is deemed acceptable by the University in its sole determination, the University reserves the right to reject all Proposals and cancel the solicitation.

The determination of when negotiations between the University and a Supplier have stalled and negotiations are to be discontinued with such Respondent and begun with another Respondent, are at the sole discretion of the University.

The Supplier will be expected to enter into a Contract which is substantially the same as the Sample Contract attached.

## **2.24 Contract Award and Execution**

Award shall be made to the Respondent with the highest points, whose Proposal, conforming to the RFP, will be the most advantageous to the University, price and other factors considered.

The RFP, any addenda, and required submissions of the Supplier will become part of any contract initiated by the University.

## SECTION 8: VETERAN AND HUDSON INITIATIVE

The State of Louisiana Veteran and Hudson Initiatives are designed to provide additional opportunities for Louisiana-based small entrepreneurship (sometimes referred to as LaVet's and SE's respectively) to participate in contracting and procurement with the State. A certified Veteran-Owned and Service-Connected Disabled Veteran-Owned small entrepreneurship (LaVet) and a Louisiana Initiative for Small Entrepreneurships (Hudson Initiative) small entrepreneurship are businesses that have been certified by the Louisiana Department of Economic Development. All eligible suppliers are encouraged to become certified. Qualification requirements and online certification are available at: <https://smallbiz.louisianaeconomicdevelopment.com>

If a Respondent is not a certified small entrepreneurship as described herein but plans to use certified small entrepreneurship(s), Respondent shall include in their Proposal the names of their certified Veteran Initiative or Hudson Initiative small entrepreneurship subcontractor(s), a description of the work each will perform, and the dollar value of each subcontract.

During the term of the Contract and at expiration, the Supplier will also be required to report Veteran-Owned and Service-Connected Disabled Veteran-Owned and Hudson Initiative small entrepreneurship subcontractor or distributor participation and the dollar amount of each.

In RFP's requiring the compliance of a good faith subcontracting plan, the University may require Respondents to submit information on their business relationships and arrangements with certified LaVet or Hudson Initiative subcontractors at the time of Proposal review. Agreements between a Respondent and a certified LaVet or Hudson Initiative subcontractor in which the certified LaVet or Hudson Initiative subcontractor promises not to provide subcontracting quotations to other Respondents shall be prohibited.

In performing its evaluation of Proposals, the University reserves the right to require a non-certified Respondent to provide documentation and information supporting a good faith subcontracting plan. Such proof may include contracts between Respondent and certified Veteran Initiative and/or Hudson Initiative subcontractor(s).

If a contract is awarded to a Respondent who proposed a good faith subcontracting plan, the using department, the University, the Louisiana Department of Economic Development (LED), or the Office of State Procurement (OSP) may audit Supplier to determine whether Supplier has complied in good faith with its subcontracting plan. The Supplier must be able to provide supporting documentation (i.e., phone logs, fax transmittals, letter, e-mails) to demonstrate its good faith subcontracting plan was followed. If it is determined at any time by the using department, University, LED, or the OSP Director that the Supplier did not in fact perform in good faith its subcontracting plan, the contract award, or the existing contract may be terminated.

The statutes (La. R.S. 39:2171 et. seq.) concerning the Veteran Initiative may be viewed at: <http://www.legis.la.gov/Legis/Law.aspx?d=671504>

The statutes (La. R.S. 39:2001 et. seq.) concerning the Hudson Initiative may be viewed at: <http://www.legis.la.gov/Legis/Law.aspx?d=96265>

A current list of certified Veteran-Owned and Service-Connected Disabled Veteran-Owned and Hudson Initiative small entrepreneurship may be obtained from the Louisiana Economic Development Certification System at: <https://smallbiz.louisianaeconomicdevelopment.com>

Additionally, a list of Hudson and Veteran Initiative small entrepreneurships, which have been certified by the Louisiana Department of Economic Development and who have opted to register in the State of Louisiana LaGov Supplier Portal: [https://lagoverpvendor.doa.louisiana.gov/iri/portal/anonymous?guest\\_user=self\\_reg](https://lagoverpvendor.doa.louisiana.gov/iri/portal/anonymous?guest_user=self_reg)

This may be accessed from the State of Louisiana Procurement and Contract (LaPAC) Network: <https://wwwcfprd.doa.louisiana.gov/OSP/LaPAC/vendor/VndPubMain.cfm>

When using this site, determine the search criteria (i.e., alphabetized list of all certified vendors, by commodities, etc.) and select SmallE, VSE, or DVSE.

Twelve percent (12%) of the total evaluation points in this RFP are reserved for Respondents who are certified small entrepreneurship or who will engage the participation of one or more certified small entrepreneurships as subcontractors. Veteran/Hudson Initiative Verification must be completed and submitted with the Respondent's proposal in order to be considered for Award. Reserved points shall be awarded to the applicable Respondents' evaluation score as follows:

#### Respondent Status and Allotment of Reserved Points

The formula for the Hudson/Veterans subcontractor calculation is  $(A/B)*C=D$  where A = the eligible subcontractor work; B = the estimated value of the three-year contract being evaluated; C = the number of Hudson/Veterans reserved points; and D = point earned.

- If the Respondent is a certified Veterans Initiative small entrepreneurship, the Respondent shall receive points equal to twelve percent (12%) of the total evaluation points in this RFP.
- If the Respondent is a certified Hudson Initiative small entrepreneurship, the Respondent shall receive points equal to ten percent (10%) of the total evaluation points in this RFP.
- If the Respondent demonstrates its intent to use certified small entrepreneurship(s) in the performance of contract work resulting from this solicitation, the Respondent shall receive points equal to the net percentage extent of contract work which is projected to be performed by or through certified small entrepreneurship subcontractors, multiplied by the appropriate number of evaluation points.

If the Respondent is not a certified small entrepreneurship as described herein but plans to use certified small entrepreneurship(s), Respondent shall include in their Proposal the names of their certified Veteran Initiative or Hudson Initiative small entrepreneurship subcontractor(s), a description of the work each will perform, and the dollar value of each subcontract.

**VETERAN/HUDSON INITIATIVE VERIFICATION MUST BE COMPLETED IN ORDER TO RECEIVE ANY APPLICABLE VETERAN/HUDSON INITIATIVE POINTS.**

- A. The obligations of Supplier or subcontractor under this Section shall survive the termination of this Contract.
- B. Supplier agrees that the requirements of this Section shall be incorporated into all subcontractor agreements entered into by Supplier. It is further agreed that a violation of this Section shall be deemed to cause irreparable harm that justifies injunctive relief in court. A violation of this Section may result in immediate termination of this Contract without notice.

### 9.2 Use of Subcontractors

Each Supplier shall serve as the single Supplier for all work performed pursuant to its Contract. That Supplier shall be responsible for all deliverables referenced in this RFP. This general requirement notwithstanding, Respondents may enter into subcontractor arrangements unless otherwise stated in this RFP.

If it becomes necessary for the Supplier to use subcontractors, the University encourages the Supplier to use Louisiana Suppliers, including small and emerging businesses, a small entrepreneurship or a veteran or service-connected disabled veteran-owned small entrepreneurship, if practical. In all Events, any subcontractor used by the Supplier should be identified to the University.

Each subcontractor must agree to be bound by the terms of the Contract. The Supplier shall assume total responsibility for compliance.

### 9.3 Prohibition of Discriminatory Boycotts of Israel

In preparing its response, the Respondent has considered all Proposals submitted from qualified, potential subcontractors and suppliers, and has not, in the solicitation, selection, or commercial treatment of any subcontractor or supplier, refused to transact or terminated business activities, or taken other actions intended to limit commercial relations, with a person or Entity that is engaging in commercial transactions in Israel or Israeli-controlled territories, with the specific intent to accomplish a boycott or divestment of Israel. Respondent also has not retaliated against any person or other Entity for reporting such refusal, termination, or commercially limiting actions. The insurance must be maintained for the duration of work performed for or on behalf of the University, and for the length of any Agreement with the University. Failure to maintain the required insurance throughout the term of the Agreement shall be a material breach and shall entitle University to all remedies provided for in the Agreement, or by operation of law. The minimum insurance requirements described herein do not in any way limit the Supplier's financial responsibilities as outlined in the Agreement's Indemnification requirements. Therefore, the Supplier may opt to have broader coverage and limits to satisfy its financial obligations.

Automobile Liability Insurance shall have a minimum combined single limit per accident of \$1,000,000 on ISO form number CA 00 01 or equivalent. This insurance shall include third-party bodily injury and property damage liability for owned, hired and non-owned vehicles.

In addition to the types of insurances and limits required by contract, Supplier shall maintain the following insurance types and limits:

1. Professional Liability (Errors and Omissions), including Network Security and Privacy Liability with a minimum limit of \$2,000,000 per occurrence with a \$4,000,000 aggregate.
2. Cyber Liability including third party coverage for privacy breach, including for notification assistance as required by Louisiana law with a minimum limit of \$2,000,000 per occurrence with a \$4,000,000 aggregate.
3. The above insurances and limits should include coverage for the following risks:

- a. Network security liability arising from the unauthorized access to, use of, or tampering with computer systems, including hacker attacks or inability of an authorized third party to gain access to your services, including denial of service, unless caused by a mechanical or electrical failure
