Re: University of New Orleans- East Campus
SP310 BTB2899
Maestri Field Turf Renovation
6801 Franklin Ave.
New Orleans, LA 70122

ADDENDUM #3

**** BIDDERS MUST ACKNOWLEDGE ADDENDUM OR BID
WILL BE REJECTED.**

The following items shall be considered part of the Contract Documents for the above referenced project and shall take precedence over any conflicting statements contained therein. Revise all other notes, schedules, details, elevations, and sections as required.

GENERAL ITEMS, CHANGES AND ADDITIONS:

ADDITIONS:

1. The University of New Orleans will be moving the irrigation lines that currently feed the outfield irrigation separately from this project. The winning contractor for this project will coordinate with the irrigation company on the location for the irrigation line closest to the back perimeter of the artificial turf infield.
2. The winning contractor will repair and create smooth transition from the artificial turf infield and the existing natural grass outfield. The same repair and transition will be done from the artificial turf foul lines and the natural grass outfield. The sod used for this transition must be Bermuda grass with Rye grass mix.
3. Bids will be read at the University of New Orleans Facilities Office, Suite 112 located in the Administration Building (#1 on campus map uploaded with Addendum 2).
