RFx # 3000025360

Title: Boat Motors for LDWF

Location: Quartermaster - Mitch Darby
Ashley Gubancik
2000 Quail Dr Rm 15
Baton Rouge, La 70808

Line #1 – (1) Boat Engine

Engine:

- Brand: 2026 Gator-Tail or Equal
- Model: GTZ 40-L or Equal
- Tall Transom with Metal Squeeze Grip Throttle, F-N-R, Power Trim & Tilt, Prop & Transom Bracket, Key Switch, Custom Black Paint Motor:,
- Horsepower: 40
- Motor Type: Tiller Type

Specify Year Bidding: _____

Specify Brand Bidding: _____

Specify Model Bidding: _____

Specify if model bidding includes Tall Transom with Metal Squeeze Grip Throttle, F-N-R, Power Trim & Tilt, Prop & Transom Bracket, Key Switch, and Custom Black Paint Motor:

Yes: ____ No: ____

Specify Horsepower Bidding: _____

Specify Motor Type Bidding: _____

Specifications:

- Key & Kill lanyard
- Tall Transom
- Billet Machine Aluminum Frame
- Reverse reduction marine transmission with hydraulically actuated multi-disc clutches
- Forward, neutral, reverse with ZF U DRIVE gearbox transmission
- Mechanical shift lever to engage forward and reverse
- Power hydraulic trim and tilt
- Electric start
- Painted for corrosion resistance
- Lifetime warranty belt-driven propeller
- Tachometer
- Stainless steel hardware
- 10 Pitch 12” stainless hardened 2-blade propeller

Attachment B - Specifications

RFx # 3000025360

Title: Boat Motors for LDWF

- 30" output propeller shaft with integrated reverse plate
- 3 Piece Billet Machine Aluminum lower unit w/integrated reverse plate

Specify if model bidding has Key & Kill Lanyard: Yes: ____ No: ____

Specify if model bidding has Tall Transom: Yes: ____ No: ____

Specify if model bidding has Billet Machine Aluminum Frame: Yes: ____ No: ____

Specify if model bidding has Reverse reduction marine transmission with hydraulically actuated multi-disc clutches: Yes: ____ No: ____

Specify if model bidding has Forward, neutral, reverse with ZF U DRIVE gearbox transmission:
Yes: ____ No: ____

Specify if model bidding has Mechanical shift lever to engage forward and reverse:
Yes: ____ No: ____

Specify if model bidding has Power hydraulic trim and tilt: Yes: ____ No: ____

Specify if model bidding has Electric start: Yes: ____ No: ____

Specify if model bidding includes Painted for corrosion resistance: Yes: ____ No: ____

Specify if model bidding includes Lifetime warranty belt driven propeller: Yes: ____ No: ____

Specify if model bidding includes Tachometer: Yes: ____ No: ____

Specify if model bidding includes Stainless steel hardware: Yes: ____ No: ____

Specify Dimension Pitch Bidding: _____

Specify Dimension Output Propeller Bidding: _____

Specify if model bidding includes 3 Piece Billet Machine Aluminum lower unit w/integrated reverse plate: Yes: ____ No: ____

Rigging:

- Replacement of the engine on the current boat. Remove the old Gator Tail engine and replace it with a new engine, with all electrical wiring run, fused, wrapped, and connected.
- Engine must be prepped, started, and test run, and turnkey operational upon delivery.

Specify if the bid includes rigging/replacement of the engine on the current boat. Remove the old Gator Tail engine and replace it with a new engine, with all electrical wiring run, fused, wrapped, and connected: Yes: ____ No: ____

Title: Boat Motors for LDWF

Specify if the bid includes the Engine being prepped, started, and test run, and turnkey operational upon delivery: Yes: ____ No: ____

Specify Engine Warranty Bidding: _____

Specify Distance in Miles from LDWF Headquarter Bidding: _____

Specify Delivery Days ARO Bidding: _____

Other Requirements:

- Before invoice will be paid a manufacturer's statement of origin, notarized bill of sale, and invoice must be provided to the agency.

Line 2 – (1) Boat Engine

Engine:

- Brand: 2026 Gator-Tail or Equal
- Model: GTZ 40-LS or Equal
- Power Trim & Tilt, Prop & Transom Bracket, Key Switch, Custom Black Paint Motor
- Horsepower: 40
- Motor Type: Steering Type

Specify Year Bidding: _____

Specify Brand Bidding: _____

Specify Model Bidding: _____

Specify if model bidding includes Power Trim & Tilt, Prop & Transom Bracket, Key Switch, Custom Black Paint Motor: Yes: ____ No: ____

Specify Horsepower Bidding: _____

Specify Motor Type Bidding: _____

Specifications:

- 17ft wiring harness
- Steering link arm
- Key & kill lanyard
- Tall transom steering model
- Billet Machine Aluminum Frame
- Reverse reduction marine transmission with hydraulically actuated multi-disc clutches
- Forward, neutral, reverse with ZF U DRIVE gearbox transmission
- Mechanical shift Throttle Assembly UFLEX-Single FNR (Control Box Only)
- Remote steering ready
- Power hydraulic trim and tilt

Attachment B - Specifications

Title: Boat Motors for LDWF

Accessories

- (1) G4154 - Single throttle control assembly
- (1) G4081 - Console Key Switch Harness
- (1) G8116 - 16ft throttle cable
- (1) G8116 - 16ft Shift Cable

Specify if bid includes all accessories listed above: Yes: ____ No: ____

Rigging:

- Replacement of the engine on the current boat. Remove the old Gator Tail engine and replace it with a new engine, with all electrical wiring run, fused, wrapped, and connected.
- Hydraulic steering installed and tested
- Engine must be prepped, started, and test run, and turnkey operational upon delivery.
