Terms and Conditions:

This solicitation contains all terms and conditions with respect to the commodities herein. Any vendor contracts, forms, terms, or other materials submitted with bid may cause bid to be rejected.

Vendor's Forms:

The purchase order is the only binding document to be issued against the contract. Signing of vendor's forms is not allowed.

Substitutes:

Only brands and numbers stated in the award are approved for delivery under the contract and any substitution must receive prior written approval of the Office of State Procurement.

A substitution may take place only if the original contract equipment has been discontinued. Proof of discontinued status must be provided prior to substitution.

All substitutions shall meet or exceed the specifications of the model submitted in the original contract document. The State reserves the right to determine if the substitution is acceptable. The substituted item(s) shall be at the same price, terms and conditions as the originally awarded items. Substitutions must receive prior written approval from the Office of State Procurement. The Office of State Procurement will not allow requests for substitutions until 30 days after date of award.

Acceptance:

Unless otherwise specified, bids on the contract will be assumed to be firm for acceptance for a minimum of 60 days. If accepted, prices must be firm for the specified contract period.

Prices:

Prices shall be complete, including transportation/freight charges prepaid by the bidder to the destination, inside delivery, unpacking, assembly of all components and removal of all associated debris from premises. Prices should be quoted in the unit (each, box, case, hour, flat, mile, etc.) as specified in this solicitation.

Freight Charges:

Unit price must be inclusive of any freight charges. Bid should be F.O.B. Destination – title passing upon receipt of goods. Failure to comply with this requirement may disqualify your bid.

Payment:

Payment will be made on the basis of unit price as listed in the contract; such price and payment will constitute full compensation for furnishing and delivering the contract commodities. In no case will the State Agency refuse to make partial payments to the Contractor although all items have not been delivered. This payment in no way relieves the Contractor of his responsibility to effect shipment of the balance of the order. Payment will be to vendor and address as shown on order.

Late Payments:

Interest due by a State Agency for late payments shall be in accordance with La. R.S. 39:1695 at the rates established in La. R.S. 13:4202.

Invoices:

Invoices will be submitted by the Contractor to the Using Agency and the invoice shall refer to the delivery ticket number, delivery date, purchase order number, quantity, unit price, and delivery point. A separate invoice for each order delivered and accepted shall be submitted by the Contractor in duplicate directly to the accounting department of the Using Agency. Invoices shall show the amount of any cash discount and shall be submitted on the Contractor's own invoice form.

Contractual Period:

The State of Louisiana intends to award all items for an initial period, not to exceed 12 months and 1 day. Delays in awarding, beyond the anticipated starting date, may result in a change in the contract period. If the situation occurs, an award may be made for less than 12 months and 1 day.

Renewals:

At the option of the State of Louisiana and acceptance by the Contractor, the contract may be extended for two additional 12 month and 1 day periods at the same prices, terms and conditions. Total contract time may not exceed 36 months and 3 days.

Quantities:

This is an open-ended requirements contract. Quantities shown are based on the previous contract usage or estimates. Where usage is not available, a quantity of one indicates a lack of history on the item. The successful bidder must supply at bid prices actual requirements as ordered whether the total of such requirements is more or less than the quantities shown.

Orders:

DOTD shall issue contract purchase orders for the items required, as and when needed.

Delivery:

Deliver to DOTD. Delivery shall not occur prior to January 1, 2026, but should occur before February 15, 2026.

Electronic Vendor Payment Solution:

In an effort to increase efficiencies and effectiveness as well as be strategic in utilizing technology and resources for the State and the Contractor, the State intends to make all payments to Contractors electronically. The LaCarte Procurement Card will be used for purchases of \$5,000 and under, and where feasible, over \$5,000. Contractors will have a choice of receiving electronic payment for all other payments by selecting the Electronic Funds Transfer (EFT). If you receive an award and do not currently accept the LaCarte card or have not already enrolled in EFT, you will be asked to comply with this request by choosing either the LaCarte Procurement Card and/or EFT. You may indicate your acceptance below.

The **LaCarte** Procurement Card uses a Visa card platform. Contractors receive payment from State Agencies using the card in the same manner as other Visa card purchases. Contractors cannot process payment transactions through the credit card clearinghouse until the purchased products have been shipped or received or the services performed.

For all Statewide and Agency Term Contracts:

- Under the LaCarte program, purchase orders are not necessary. Orders must be placed against the net discounted products of the contract. All contract terms and conditions apply to purchases made with LaCarte.
- If a purchase order is not used, the Contractor must keep on file a record of all LaCarte purchases issued against the contract during the contract period. The file must contain the particular item number, quantity, line total and order total. Records of these purchases must be provided to the Office of State Procurement on request.

EFT payments are sent from the State's bank directly to the payee's bank each weekday. The only requirement is that you have an active checking or savings account at a financial institution that can accept Automated Clearing House (ACH) credit files and remittance information electronically. Additional information and an enrollment form is available by contacting the Office of Statewide Reporting & Accounting Policy at DOA-OSRAP-EFT@la.gov.

To facilitate this payment process, you will need to complete and return the EFT enrollment form.

If an award is made to your company, please check which option you will accept or indicate if you are already enrolled.
