- H. **Veteran and Hudson Initiative Programs Participation**

The State of Louisiana Veteran and Hudson Initiatives are designed to provide additional opportunities for Louisiana-based small entrepreneurships (sometimes referred to as LaVet's and SE's respectively) to participate in contracting and procurement with the State. A certified Veteran-Owned and Service-Connected Disabled Veteran-Owned small entrepreneurship (LaVet) and a Louisiana Initiative for Small Entrepreneurships (Hudson Initiative) small entrepreneurship are businesses that have been certified by the Louisiana Department of Economic Development. All eligible vendors are encouraged to become certified. Qualification requirements and online certification are available at:
<https://smallbiz.louisianaeconomicdevelopment.com>.

If a Proposer is not a certified small entrepreneurship as described herein, but plans to use certified small entrepreneurship(s), Proposer shall include in their proposal the names of their certified Veteran Initiative or Hudson Initiative small entrepreneurship subcontractor(s), a description of the work each will perform, and the dollar value of each subcontract.

During the term of the contract and at expiration, the Contractor will also be required to report Veteran-Owned and Service-Connected Disabled Veteran-Owned and Hudson Initiative small entrepreneurship subcontractor or distributor participation and the dollar amount of each.

In RFP's requiring the compliance of a good faith subcontracting plan, BREC may require Proposers to submit information on their business relationships and arrangements with certified LaVet or Hudson Initiative subcontractors at the time of proposal review. Agreements between a Proposer and a certified LaVet or Hudson Initiative subcontractor in which the certified LaVet or Hudson Initiative subcontractor promises not to provide subcontracting quotations to other Proposers shall be prohibited.

If performing its evaluation of proposals, the State reserves the right to require a non-certified Proposer to provide documentation and information supporting a good faith subcontracting plan. Such proof may include contracts between Proposer and certified Veteran Initiative and/or Hudson Initiative subcontractor(s).

If a contract is awarded to a Proposer who proposed a good faith subcontracting plan, the using agency, the Louisiana Department of Economic Development (LED), may audit Contractor to determine whether Contractor has complied in good faith with its subcontracting plan. The Contractor must be able to provide

supporting documentation (i.e., phone logs, fax transmittals, letter, e-mails) to demonstrate its good faith subcontracting plan was followed. If it is determined at any time by the using agency, LED, that the Contractor did not in fact perform in good faith its subcontracting plan, the contract award or the existing contract may be terminated.

Each Proposer is solely responsible for the accuracy and completeness of its proposal.

1.6 Confidential Information, Trade Secrets, and Proprietary Information

The designation of certain information as trade secrets and/or privileged or confidential proprietary information shall only apply to the technical portion of your proposal. Your cost proposal will not be considered confidential under any circumstance. Any proposal copyrighted or marked as confidential or proprietary in its entirety may be rejected without further consideration or recourse.

For the purposes of this procurement, the provisions of the Louisiana Public Records Act (La. R.S. 44.1 et. seq.) will be in effect. Pursuant to this Act, all proceedings, records, contracts, and other public documents relating to this procurement shall be open to public inspection. Proposers are reminded that while trade secrets and other proprietary information they submit in conjunction with this procurement may not be subject to public disclosure, protections must be claimed by the proposer at the time of submission of its Technical Proposal. Proposers should refer to the Louisiana Public Records Act for further clarification.

The Proposer must clearly designate the part of the proposal that contains a trade secret and/or privileged or confidential proprietary information as “confidential” in order to claim protection, if any, from disclosure. The Proposer shall mark the cover sheet of the proposal with the following legend, specifying the specific section(s) of his proposal sought to be restricted in accordance with the conditions of the legend:

“The data contained in pages _____ of the proposal have been submitted in confidence and contain trade secrets and/or privileged or confidential information and such data shall only be disclosed for evaluation purposes, provided that if a contract is awarded to this Proposer as a result of or in connection with the submission of this proposal, BREC shall have the right to use or disclose the data therein to the extent provided in the contract. This restriction does not limit BREC’s right to use or disclose data obtained from any source, including the proposer, without restrictions.”

Further, to protect such data, each page containing such data shall be specifically identified and marked “CONFIDENTIAL”.

Proposers must be prepared to defend the reasons why the material should be held confidential. If a competing proposer or other person seeks review or copies of another proposer's confidential data, the state will notify the owner of the asserted data of the request. If the owner of the asserted data does not want the information disclosed, it must agree to indemnify BREC and hold BREC harmless against all actions or court proceedings that may ensue (including attorney's fees), which seek to order BREC to disclose the information. If the owner of the asserted data refuses to indemnify and hold BREC harmless, BREC may disclose the information.

BREC reserves the right to make any proposal, including proprietary information contained therein, available to the Purchasing Division personnel, or other BREC agencies or organizations for the sole purpose of assisting BREC in its evaluation of the proposal. BREC shall require said individuals to protect the confidentiality of any specifically identified proprietary information or privileged business information obtained as a result of their participation in these evaluations.

If your proposal contains confidential information, you should also submit a redacted copy along with your proposal. If you do not submit the redacted copy, you will be required to submit this copy within 48 hours of notification from Purchasing. When submitting your redacted copy, you should clearly mark the cover as such - “REDACTED COPY” - to avoid having this copy reviewed by an evaluation committee member. The redacted copy should also state which sections or information has been removed.”

1.7 Proposal Clarifications Prior to Submittal

1.7.1 Pre-proposal Conference – Walk Through – January 5, 2025 – 11:00 AM (MANDATORY)
1.7.2 Proposer Inquiry Periods

An initial inquiry period is hereby firmly set for all interested proposers to perform a detailed review of the bid documents and to submit any written questions relative thereto. *Without exception*, all questions MUST be in writing (even if an answer has already been given to an oral question during the Pre-proposal conference, if held) and received by the close of business on the Inquiry Deadline date set forth in the Calendar of Events (See Section 1.3). Initial inquiries shall not be entertained thereafter.

BREC shall not and cannot permit an open-ended inquiry period, as this creates an unwarranted delay in the procurement cycle and operations of our departments. BREC reasonably expects and requires *responsible and interested* proposers to conduct their in-depth proposal review and submit inquiries in a timely manner.

Further, we realize that additional questions or requests for clarification may generate from BREC's addendum responses to the inquiries received during the initial inquiry period. Therefore, a final 3-day inquiry period shall be granted. Questions relative to the addendum shall be submitted by the close of business three working days from the date the addendum is issued (or, posted to the LaPAC website at (<https://wwwcfprd.doa.louisiana.gov/osp/lapac/pubMain>)). If necessary, another addendum will be issued to address the final questions received. Thereafter, all proposal documents, including but not limited to the specifications, terms, conditions, plans, etc., will stand as written and/or amended by any addendum issued as a result of the final inquiry period.

Any person aggrieved in connection with the specifications contained therein shall submit questions or concerns in writing to Director of Purchasing (see Sect. 1.46) during the bid period. Otherwise, this will be construed as acceptance by the bidders that the intent of the specifications is clear and that competitive proposals may be submitted as specified herein. Protests with regard to the specification documents will not be considered after proposals are opened.

*Note: BREC has elected to use LaPAC, the state's online electronic bid posting and notification system that is resident on State Purchasing's website <https://wwwcfprd.doa.louisiana.gov/osp/lapac/pubMain> and is available for vendor self-enrollment. In that LaPAC provides an immediate e-mail notification to subscribing bidders that a solicitation and any subsequent addenda have been let and posted, notice and receipt thereof is considered formally given as of their respective dates of posting dates.

No negotiations, decisions, or actions shall be executed by any bidder as a result of any oral discussions with any BREC employee or BREC consultant. BREC shall only consider written and timely communications from proposers.

Inquiries shall be submitted in writing by an authorized representative of the proposer, clearly cross-referenced to the relevant solicitation section. Only those inquiries received by the established deadline shall be considered by BREC. Answers to questions that change or substantially clarify the solicitations shall be issued by addendum and provided to all perspective proposers.

Inquiries concerning this solicitation may be delivered by mail, express courier, e-mail, hand, or fax to:

Failure to submit all non-mandatory information requested may result in BREC requiring prompt submission of missing information and/or giving a lower score in the evaluation of the proposal.

1.16 Ownership of Proposal

All materials (paper content only) submitted timely in response to this request become the property of BREC. Selection or rejection of a response does not affect this right. All proposals submitted timely will be retained by BREC and not returned to proposers. Any copyrighted materials in the response are not transferred to BREC.

1.17 Cost of Offer Preparation

BREC is not liable for any costs incurred by prospective Proposers or Contractors prior to issuance of or entering into a Contract. 1.18 Non-negotiable Contract Terms

Non-negotiable contract terms include but are not limited to taxes, assignment of contract, audit of records, EEOC and ADA compliance, record retention, content of contract/order of precedence, contract changes, governing law, claims or controversies, and termination based on contingency of appropriation of funds (if applicable).

1.19 Taxes

Any taxes, other than state and local sales and use taxes, from which BREC is exempt, shall be assumed to be included within the Proposer's cost.

1.20 Proposal Validity

All proposals shall be considered valid for acceptance until such time an award is made, unless the Proposer provides for a different time period within its proposal response. However, BREC reserves the right to reject a proposal if the Proposer's response is unacceptable and the Proposer is unwilling to extend the validity of its proposal.

1.21 Prime Contractor Responsibilities

The selected Proposer shall be required to assume responsibility for all items and services offered in his proposal whether or not he produces or provides them. BREC shall consider the selected Proposer to be the sole point of contact with regard to contractual matters, including payment of any and all charges resulting from the contract.

1.21.1 Corporation Requirements

Upon the award of the contract, if the contractor is a corporation and not incorporated under the laws of the State of Louisiana, the contractor shall have obtained a certificate of authority pursuant to R.S. 12:301-302 from the Secretary of State of Louisiana prior to the execution of the contract.

Upon the award of the contract, if the contractor is a for-profit corporation whose stock is not publicly traded, the contractor shall ensure that a disclosure of ownership form has been properly filed with the Secretary of State of Louisiana.

If services are to be performed in East Baton Rouge BREC, evidence of a current occupational license and/or permit issued by BREC shall be supplied by the successful vendor, if applicable.

1.22 Use of Subcontractors

Each Contractor shall serve as the single prime contractor for all work performed pursuant to its contract. That prime contractor shall be responsible for all deliverables referenced in this RFP. This general requirement notwithstanding, Proposers may enter into subcontractor arrangements. Proposers may submit a proposal in response to this RFP, which identifies subcontract(s) with others, provided that the prime contractor acknowledges total responsibility for the entire contract.

BREC is an equal opportunity employer and encourages the participation of Disadvantaged Business Enterprises (DBE) in all of its projects. Proposers/Prospective Contractors are strongly encouraged to make positive efforts to utilize minority subcontractors for a portion of this project. Proposers are requested to include in their proposal a description of plans for minority participation under this Contract as suppliers or subcontractors.

BREC strongly encourages the acquisition of goods and services from and direct participation of disadvantaged business enterprise ("DBEs") from the State of Louisiana and Baton Rouge Region. The term DBE as used herein means a business entity that is certified as a disadvantaged business enterprise under the Louisiana Unified Certification Program Disadvantaged Business Enterprise ("LAUCP-DBE").

The DBE Program is a race- and gender-neutral programs intended to provide additional contracting and procurement opportunities for certified small businesses and disadvantaged business enterprises by encouraging contractors who receive state contracts to use good-faith efforts to utilize such certified entities in the performance of those contracts.

BREC desires to achieve, to the greatest extent possible, commercially meaningful and useful participation by DBEs. By providing equitable opportunities for DBEs, BREC derives multiple benefits, including contributing to the economic vitality of our communities and ensuring a broader selection of competitively priced goods and services.

Bidders should present a responsible plan that provides for participation of qualified DBEs. Bidders should clearly state DBE participation goals and their plan for implementation of the same in their proposals. Bidders should also include information relative to the participation levels managed on other prior projects.

Participation shall be counted toward meeting the contract goals only by business entities certified under LAUCP-DBE. The direct participation goal can be achieved through direct ownership, joint venture participation, owner/operator agreements, or sublease agreements for operations. Participation shall include work opportunities in planning, development, construction, and operation of the Project.

Information required of the prime contractor under the terms of the RFP, is also required for each subcontractor and the subcontractors must agree to be bound by the terms of the contract. The prime contractor shall assume total responsibility for compliance.

1.23 Written or Oral Discussions/Presentations

Written or oral discussions may be conducted with Proposers who submit proposals determined to be reasonably susceptible of being selected for award. BREC reserves the right to enter into an Agreement without further discussion of the proposal submitted based on the initial offers received.

Any commitments or representations made during these discussions, if conducted, may become formally recorded in the final contract.

Written or oral discussions/presentations for clarification may be conducted to enhance BREC understanding of any or all of the proposals submitted. Neither negotiations nor changes to vendor proposals will be allowed during these discussions. Proposals may be accepted without such discussions.

1.24 Acceptance of Proposal Content

The mandatory RFP requirements shall become contractual obligations if a contract ensues. Failure of the successful Proposers to accept these obligations shall result in the rejection of the proposal.

1.25 Evaluation and Selection (see Part III Evaluation)

Refer to Part III of this RFP.

1.26 Contract Negotiations

If for any reason the Proposer whose proposal is most responsive to BREC's needs, price and other evaluation factors set forth in the RFP considered, does not agree to a contract, that proposal shall be rejected and BREC may negotiate with the next most responsive Proposer. Negotiation may include revision of non-mandatory terms, conditions, and requirements. Negotiation shall also allow price reductions. The final contract form shall be reviewed by the Purchasing Division and approved by BREC Commission prior to issuance of a purchase order, if applicable to complete the process.

1.27 Contract Award and Execution

BREC reserves the right to enter into an Agreement without further discussion of the proposal submitted based on the initial offers received.

The RFP, any addendums, and the proposal of the selected Contractor will become part of any contract initiated by BREC.

In no event is a proposer to submit its own standard contract terms and conditions as a response to this RFP. The proposer needs to address the specific language in the sample contract (Attachment D) and submit with their proposal any exceptions or exact contract deviations that their firm wishes to negotiate. The terms for both of these documents may be negotiated as part of the negotiation process with the exception of contract provisions that are non-negotiable.

If the contract negotiation period exceeds 30 days or if the selected Proposer fails to sign the contract within **seven calendar** days of delivery of it, BREC may elect to cancel the award and award the contract to the next-highest-ranked Proposer.

Award shall be made to the Proposer whose proposal, conforming to the RFP, will be the most advantageous to BREC, price and other factors considered.

BREC intends to award to a single Proposer.

1.28 Notice of Intent to Award

Upon review and approval of the evaluation committee's recommendation for award by Purchasing and BREC Commission, a Notice of Intent to Award letter to the apparent successful Proposer will be issued. A contract shall be completed and signed by all parties concerned on or before the date indicated in the Schedule of Events. If this date is not met, through no fault of BREC, BREC may elect to cancel the Notice of Intent to Award letter and make the award to the next most advantageous Proposer.

Purchasing shall notify all unsuccessful Proposers as to the outcome of the evaluation process. The evaluation factors, points, evaluation committee member names, and the completed evaluation summary and recommendation report shall be made available to all interested parties after the Intent to Award letter has been issued.

1.29 Right to Prohibit Award

In accordance with the provisions of R.S. 39:2192, any public entity shall be authorized to reject a proposal from, or not award a contract to, a business in which any individual with an ownership interest of five percent or more, has been convicted of, or has entered a plea of guilty or nolo contendere to any state felony or equivalent federal felony crime committed in the solicitation or execution of a contract or RFP awarded under the laws governing public contracts under the provisions of Chapter 10 of Title 38 of the Louisiana Revised Statutes of 1950, and all contracts under Title 39, Chapter 17 of the Louisiana Procurement Code, including contracts for professional, personal, consulting, and social services.

1.30 Debriefings

Contact may be made by phone at 225-272-9200, extension 1422 or e-mail to Richard.Terrell@brec.org to schedule the debriefing. Debriefings will be for the sole purpose of reviewing with the requesting vendor their own proposal scoring results.

If the requesting vendor wishes to view other file documents, a Public Records request in accordance with R.S. 44.1 et. seq. must be submitted.

1.31 Insurance Requirements

Contractor shall furnish BREC with certificates of insurance affecting coverage(s) required by the RFP (see Attachment C). The certificates for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates are to be received and approved by BREC before work commences. BREC reserves the right to require complete certified copies of all required policies, at any time.

1.32 Subcontractor Insurance

Should the Contractor utilize a subcontractor, the contractor shall include all subcontractors as insureds under its policies or shall insure that all subcontractors satisfy the same insurance requirements stated herein for the contractor.

1.33 Indemnification

Service Provider agrees to indemnify, defend, and hold harmless BREC from any and all losses, damages, expenses or other liabilities, including but not limited to connected with any claim for personal injury, death, property damage or other liability that may be asserted against BREC by any party which arises or allegedly agents in performing its obligations under this Agreement.

All records, reports, documents, or other material related to any contract resulting from this RFP and/or obtained or prepared by Contractor in connection with the performance of the services contracted for herein shall become the property of BREC, and shall, upon request, be returned by Contractor to BREC, at Contractor's expense, at termination or expiration of this contract.

1.43 Content of Contract/Order of Precedence

All items required to accomplish these results, whether or not specifically mentioned in this contract, including attendance by the Consultant or their representatives at conferences and public hearings, are to be furnished at the expense of Consultant.

CONTRACT TIME: The services to be performed under this contract shall be commenced promptly by the Consultant and shall be completed as defined in the notice to proceed issued for each event.

COMMENCEMENT OF WORK: No work shall be performed by Consultant and BREC shall not be bound until such time as a Contract is fully executed between BREC and the Contractor and all required approvals are obtained at which time Task/Work Orders will be used to order specific quantities and types of services.

OWNERSHIP OF DOCUMENTS: All data collected by Consultant and all documents, notes, drawings, tracings and files collected or prepared in connection with this work, except Consultant's personal and administrative files, shall become the property of BREC, and BREC shall not be restricted in any way whatsoever in its use of such materials.

This agreement shall ipso-facto terminate three years after the date of the suspension of the work as provided above if the work has not been reinstated and resumed by notice from BREC during the three year period, and neither party shall have any further obligation to the other party.

DISPUTES: Any dispute concerning a question of fact in connection with the work not disposed of by agreement between the parties shall be referred to the Director of Finance or her duly authorized representative for determination, whose decision in the matter shall be final and conclusive on the parties to this contract. This disputes clause does not foreclose the rights of the parties with respect to questions of law in connection with decisions provided for in the foregoing sentence.
