## Request for Information (RFI): Staff Augmentation Services for Non-Social Services Position Support

RFI # 305PUR-326-StaffAug-RFI

### Addendum 3

This Addendum No. 3 is issued to clarify language contained in the Request for Information (RFI) and to revise the Schedule of Events accordingly. All other terms and conditions of the RFI remain unchanged.

For purposes of this RFI, the term “non-social services positions” within **Section 4 – Anticipated Personnel** refers to roles that do not primarily involve or support programs for the direct delivery of client-facing social services as defined in La. R.S. 39:1619.

Vendors are encouraged to base their responses on the functional nature of the work performed by the position rather than the programmatic area, funding source, or organizational unit in which the role is housed.

### 3. Schedule of Events

Event	Due Date
