This contract will be for two years and decals will be supplied on an “as needed” basis and should be delivered within 10 (ten) working days.

Scope of Job:

The bid requires the removal of existing decals from Parish vehicles and equipment in such a way not to mark or destroy the existing paint or finish of vehicles within reason. In some cases, vehicles or sections of vehicles will need to be repainted, at the discretion of the Jefferson Parish Department of Fleet Management. The bidder will be required to coordinate the paint and body work with the approved and qualified body shop on contract with Jefferson Parish.

1.1 Design and Artwork-

Bidder's price on per unit basis, or per individual decals unit, must include a Fleet design proposal for all parish vehicles, and equipment, which will include cars, pickups, dump trucks, step-vans, backhoes, buses, graders, bucket trucks and other vehicles, as well as any other parish-owned equipment. The decals are usually ordered in bulk as needed, but there may be occurrences when a specialty decal is needed and only one set of decals will be ordered. The quantities on the bid are estimated based upon the number of purchased items from the previous contract. There is no guarantee about the number of items orders for the new contact.

Design must include concept of reflective Parish logo, reflective striping, Jefferson Parish reflective lettering, reflective unit number, reflective department name (i.e.: Drainage Department, Sewerage Department, Water Department) and reflective delineator striping for safety on rear of vehicle and decals for “Wet Fleet” designated vehicles. Designs will be provided upon request. Packing while in storage should be in accordance with manufacturer's recommended specifications. Marking shall be packaged in substantial cartons, which will protect against physical damage, moisture, or contamination. If a vendor would like to take photos of the vehicles and designs, they may request an appointment by contacting Amy Truesdell at 504-736-6889 to visit our East Bank Garage at 4901 Jefferson Hwy. Suite A. Jefferson, LA. 70121.
